CONNECTICUT GRAPEVINE

March, 1985

Dear Living Epistles of Connecticut,

God bless you in and through the name that stands above all others,
Jesus Christ!

It is God's great desire for us to be fruitful in all that we do
and we will produce fruit in our lives to the end that we apply
the sound doctrine of His Word. The fruit that we manifest is
what will bring glory to our Father.

John 15:8:

Herein is my Father glorified, that ye bear much fruit;
so shall ye be my disciples.

To move the Word over the world requires us to be fruitful in our
witnessing. The above scripture does not just say bear fruit, but
much fruit. Our daily attitude then should be one of speaking
forth God's Word with believing at every possible opportunity.
Fruitful witnessing occurs when the sound doctrine of the Word is
believingly applied, for it is only through believing that a per-
son will hold forth the Word successfully.

II Corinthians 4:13:

We having the same spirit of faith, according as it is
written, I believed, and therefore have I spoken; we
also believe, and therefore speak;

Bringing others to the truth of God's Word is one of the great
joys in life. There is nothing quite so special as seeing some-
one come from darkness into the glorious light of the Word of
God. To be a part of someone blossoming into a wonderful believer
is deeply and richly rewarding. The rewards of fruitful witness-
ing are not just temporal, though, for God has eternal rewards
for us as we win people to the Lord Jesus Christ.

I Thessalonians 2:19

For what is our hope, or joy, or crown of rejoicing?
Are not even ye in the presence of our Lord Jesus Christ
at his coming?

March will be an exciting month for all of us as we hold forth the
Word of Life. Let's be fruitful and multiply!

Lovingly,
In His service,

David S. Daniels
