## Make It Pretty!

You see their handiwork throughout the grounds at LIVING VICTORIOUSLY. From the stage set in The Way Big Top Auditorium to the centerpieces in the Dining Room tents, their special touches bless the body.

Of whom do we speak? A group whose job description might read something like this:

**WANTED: Jack of all trades; interior/exterior designer; able to climb scaffolding, hang signs and banners; handy with scissors, staple guns, paint-brushes and glue; willing to put in long hours; detail-minded and cool under pressure. A green thumb would help.**

That description fits our wonderful men and women in Divine Design. For LIVING VICTORIOUSLY they made and placed 164 blue-and-gold banners, 800 signs, 15 major displays for the Display Lounge and 600 centerpieces for the Dining Room tents and Fellowship Lounge.

They silk-screened ninety 40th Anniversary logos, made the two torches at the entrance to the auditorium, designed and decorated the Main Stage and placed over 300 plants around the grounds. No one knows how many Twig banners they sorted and hung ("oodles and oodles," to quote Alison Heaney).

A special thanks from all of us for your labor of love.

## OPENING PRAYER

Thursday, July 1, 1982

*Each day LIVING VICTORIOUSLY begins with flag raising and a prayer by Dr. Wierwille.*

Lord God almighty, on this Thursday, July 1st, as we endeavor to live in SERVICE to you and your people, I thank you for your abounding grace to your people, your sons and daughters. I pray that each one may always have all sufficiency in all things and that each born-again believer may abound to every good service to you and the brothers and sisters. I thank you that every believer has the responsibility and privilege of ministering your seed as a sower. Multiply your seed sown that the rendering of the believer's service may not only supply the need of the saints, but in all of the abundance that they may be joyfully thankful unto you our God and Father. Thank you in the name of Jesus Christ, our lord and savior. Amen.

Phil. 3:16	John 14:15
II Cor. 13:11	Phil. 1:27

II Tim. 2:15	Eph. 2:14
II Pet. 3:14	Eph. 4:2-7
Matt. 28:19 and 20	

"There is a time for all things, but ONE thing for all time, and that is unity."

"When we are harmonized on God and His Word, we all speak the Word and we all make the same kind of music."

"We are instructed to keep the unity. We are not instructed to make one. . . . the making of the unity was by God in making us all the same spirit."

"The union we have is by birth. He is our Father; we're His children."

"The greatest way I know to keep the unity of the spirit is to constantly recognize that our sufficiency is of God."

"Until you operate the manifestations of the spirit you are a crippled Christian . . . but He makes those who believe able."

"You put forth every bit of zeal you've got. It means work at it. If you are ever going to have unity, you've got to work at it."

"If you love Him you will keep His Word, and the keeping is unity."

"The word 'peace' means 'to join'. . . . joined to the right source. Without being joined to the right source you cannot have peace."

## T-SHIRT TESTIMONIAL

Isn't it about time to go WOW?

## Answer the Call

The Emergency Room of a large metropolitan hospital buzzes with activity as orderlies wheel in a man seriously injured in an industrial accident only minutes before. Who is there to handle the situation with the power of God as well as technical expertise? The on-duty intern goes into action knowing God's power works in him. He is an *Outreach Athlete—Healing Arts* devoting a year of his life to moving the Word in his profession.

If you are a Power for Abundant Living graduate involved in the healing arts, consider joining the team of students and professionals who next year will be taking God's Word to the world as *Outreach Athletes*. These dedicated men and women will spend the first 30 minutes of each day reading the Word and speaking in tongues for the outreach of the ministry. They spend at least 48 hours per week in their profession and the move of God's Word.

The *Outreach Athletes—Healing Arts* commitment is from Rock of Ages '82 to Rock of Ages '83. Requirements for participation are available at The Way Tree Headquarters tent. Stop by to find out how your life can be one of greater service to God for His people. The time is NOW!

## YOU CAN'T MAKE ME DOUBT HIM

The other night Rosanne O'Hara, Way Corps 10, was in her RV, fellowshiping with other believers, when a pot full of boiling water slipped off the ledge above her, covering her arms and stomach with its contents.

To see her less than 24 hours later, you'd hardly believe the incident had occurred. Where there should have been scarred, blistered skin, only a slight discoloration remained, along with a bruise where the pot had hit her arm.

"The believers there ministered to me immediately," Rosanne shared, "and put ice on me to lessen the pain. Throughout the night I kept feeding my mind with the positives of the Word and believing images of

victory. I pictured myself climbing the rocks at LEAD, playing volleyball, anything that required the use of my arms.

"I asked God to heal me, but He told me I was healed when I was ministered to; that any pain that remained was merely a symptom, and that it was false. The next morning there were no blisters, and I felt no worse than if I had been sunburned. I went to Third Aid, and they told me my healing was a miracle.

"I was really mad at the Devil for trying to stop me from speaking the Word, so I went out that day and talked to as many people as possible, ministering to needs and telling them about The Way Corps. It's important to speak for God. No matter what the Adversary tries to throw at me, God will continue to meet my needs."

## A Letter Home

Dear Folks,

Can you please send a truck?

You know I hitchhiked here to LIVING VICTORIOUSLY with just my backpack and bedroll. I wanted to travel light. But now I've got: 8 lead crystal goblets, 25 S.I.T. cushions, 3 DECHOMAI prints, 1 new concordance, 10 Power for Abundant Living Ready Reference booklets, 2 TAKIT albums, 3 VICTORS cassettes, 3 NEW HORIZONS cassettes, all the class teaching tapes, and extra copies of each *Daily Victory*.

Every time I go to the Bookstore I see something else that would bless you folks at home.

My tent got so full I decided to use it just for storage—kind of my own warehouse—and I'm sleeping in the RV of some believers from Schenectady.

That's got to be God working in my life, because their alarm clock buzzes at 6:00 a.m., waking me up in time to go to flag raising. Isn't it mind-blowing how the family works together to see the Word move over the world?

So, could you send a truck, please?

Abundantly yours, *Pete*
