Find that Teaching

The *Way Publications Scripture Index* can help you gather information on any scripture mentioned in Dr. Wierwille's major books, including the recent *Jesus Christ Our Passover*. This working companion to your Biblical research library is now available at The Way International Bookstore for \$2.00 plus tax. The index is easy to use; you can quickly locate material in the 10 books by checking the abbreviations and page numbers listed opposite the references for the verses you are investigating.

You may use the index for older editions of Dr. Wierwille's books, although the quickest reference is provided for all current editions. Every scripture from Genesis to Revelation which is handled in the books is listed in this index. Make your study and teaching more effective with this convenient research aid.

WOWs Mark Ten Years of Service

"Ten years of WOW," a reflection upon the first decade of our Ambassador program, featuring many of the ministry's leaders who have been WOWs, will be presented on the Main Stage at 9:30 a.m. today. Everyone at Rock of Ages '81 is invited to attend.

The lives of just about everyone at Rock of Ages 1981 have been touched in one way or another by our wonderful WOW Ambassadors. If the Lord tarries, who knows what signs, miracles and wonders the next 10 years of WOWs will see?

Walk For the WOWs

Families, Twigs or individual walkers may start this seven-mile tour of the countryside around the Rock of Ages at any time between 6:45 and 11:00 a.m. Further details are available at the registration booth by the west entrance to The Way Woods.

University of Life Could Be for You

"I think The University of Life could go into every country in the world," Dr. Wierwille told its faculty and students gathered yesterday morning in the Biblical Research Center. "It's bigger than anything we've done in the ministry. In my mind it parallels the WOW program in many respects. Thousands of people in every country could have all the information and all the knowledge that we do in research and then teach to The Way Corps."

"Wisdom giveth life to them that have it," he read from Ecclesiastes 7:12. "You've got life" he explained. "Then when you work the Word you get wisdom and that wisdom adds to

life. It's a continuous action growth. The University of Life is a quest for the continued accuracy and integrity of God's Word."

The University of Life coordinator, Rev. Rosalie Rivenbark, expressed great excitement about the future of this unique teaching venture. "It's a steadily growing program" she said. "Already we have students in 49 states and nine other countries."

The University of Life *can* be for you. To get more information and see if you qualify as a student, stop by The University of Life display near The Way Woods today.
