"Everything starts with being in one accord with God's Word."

"Every time *Elohim* is used in the Bible, it always means creator. . . . Every time *Jehovah* is used, it is always in relationship to that which He has created. . . . He is the immutable one. He is the one who does not change in relationship to that which He has created. . . . He created God in Christ in you as *Elohim*. Now He has a relationship with you. He is your *Jehovah*."

"God is *Jehovah* as the overruler of Jesus Christ and of all creation."

"Anyone that believes that Jesus Christ is God is worshiping idolatry."

"Jesus Christ is our lord. God is our Father."

## It's a Small World!

"In my country the major religions are Buddhism and Shintoism. I knew very few Christians until I came to study here in the United States. My roommate in college was a Way believer. He always magnified the Word of God in his life. That's what got me interested in the Bible and I started going to Twig. I took the Power for Abundant Living class last summer and plan to return to Japan after I graduate next semester. I want to move God's Word there. I'm just one man, but I know God works in me and I can move the Word."

## Quotes Overheard from 1982-83 Mini-WOWs

When asked where he wanted to be sent as an Ambassador, seven-year-old Chester Kiffmeyer said, "I want to go to Disneyland so that I can get people in the Word while they're on rides. I want to run a Power for Abundant Living class there." Chester went on to say, "My mom's going to coordinate the big people and I'm going to do the Children's

Fellowship."

Ten-year-old Anthony Thomas said, "I'm going to teach the Word to my friends at school 'cause they're gonna see what I got."

Three-year-old Cameron Morgensen showed her excitement at going WOW by exuberantly singing "I'm Going WOW" as her father pushed her stroller along Wierwille Road.

## Hearts and Crafts Display

Where can you go to see a poster of a giant peapod, buy a Little Tommy Tucker Truck, watch a promotional video, and have a cup of coffee with a friend? The answer: The Hearts and Crafts Tent.

This unique tent has a three-fold function—1) it is a place to fellowship, 2) it is a display area for many of the ministry's facilities and programs and 3) it serves as a place where artists from around the country can sell arts and crafts for believers' homes.

## TWIG TIME

Twig meeting time is 11:00 a.m. at the Rock of Ages, and what a wonderful variety of things there are to do. Why not have your Twig visit the displays in front of The Way Woods, take a Way Family Camp tour, or go see the Hearts and Crafts Tent?

At yesterday's Twig coordinators meeting Rev. Ralph Dubofsky said, "The Church in the home is the most revolutionary thing in the world today. Our Twigs are fellowships of divine joy, of fearlessness, of the nearness of God."

## Way Family Camps

Tour "a day at a Way Family Camp" in The Way Woods. On prerecorded tape, Dr. Wierwille leads you through a day's activities: flag raising, The Word Speaks, devotion with motion, expressive arts, hour of power and more.

Tours leave every half hour from the east entrance to the woods. Brochures and applications for this year's three Family Camps are available at the end of the tour.

## Dear Diary,

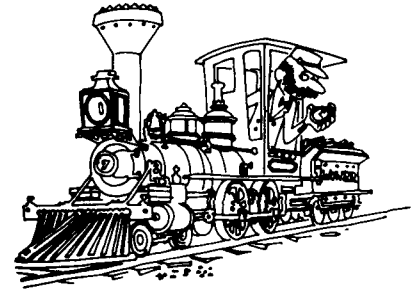

I'd been "eye-ing" red wristbands on my way to flag raising, wondering whether the people I was walking behind were going to be in my WOW family. I kept wondering who I'd be with and where I'd be going, and all that guesswork started to sort of drive me nuts.

Then after lunch, my Twig coordinator bought me a lemonade, and as we sat on the steps of the Gazebo he said, "You're going to the one town on earth that needs to hear the Word from *you*, and you're going to be with people who can teach you more and learn more from you and love you better than anyone in the whole world." What a relief!

## Regional Tours

Northeast and Northwest Regions—it's your regional Twig Day! After you've toured the main grounds of The Way International with your Branch, don't forget to stop by and see Masterpiece '82 and the Historical Display at the Biblical Research Center. Meet in front of The Way Woods at 10 a.m. to participate.

## ALL ABOARD!

Three weeks ago Rev. Milford Bowen got an idea that would subsequently bless hundreds of children at the Rock of Ages this year. The Miracle Train began to take shape as Milford and his wife Betty worked, getting it ready for the Grand WOW Parade.

Now, a little canopied train filled to overflowing with kids laughing and shouting out "bless you" brings joy both to the children and passersby.

The Miracle Train takes children on rides around the Rock of Ages grounds. Children can board the train at the Children's Zoo.
