And You  
Think You've  
Traveled!

For two-and-a-half months Luis F. Pinheiro has been on his way to the Rock of Ages. On May 31 he left Campinas in Southern Brazil for New Knoxville, Ohio. After hitchhiking through Bolivia, Peru and Ecuador, Luis found a ship sailing for New York. He arrived in America and accompanied believers on their way to Ohio. Yesterday, Luis arrived at the Registration Tent at 6:00 a.m.

On his way here he even took time to register two people for the Power for Abundant Living class. *Benvindo à Rocha das Idades 1983, Luis.*

## "IN THE WINGS"

Written by Gloria Olivier and Elena Whiteside, "In the Wings" is a musical drama performed by teenagers for teenagers. But teenagers aren't the only ones who will feel the impact of this play. After watching a dress rehearsal, Rev. Robert C. Moynihan said, "These are young men and women who love God and have put their whole hearts into blessing the teenagers at this year's Rock of Ages, but I'm confident their message is going to speak loudly to believers of all ages. It's inspiring and invokes great emotion." "In the Wings" will be staged in The Way Woods Campfire Area on Tuesday and Thursday morning at 9:00 a.m.

## Hey Kids!

The Children's Fellowship program runs from 9:00 to 10:30 every morning in the Children's Pavilion. This is a time of teaching for children from ages 4 to 12. Also, every afternoon from 1:30 to 2:30 there will be entertainment. In the afternoons you can bring your parents along to join in the fun.

Matt. 11:28-30	I Cor. 3:9

Personal dedication is not an option, but a necessity.

The Lord Jesus Christ found his peace and rest in doing the Father's will.

Life is meaningless outside of God's will. It is merely an existence, just spending time. But for the yoked one, life has a purpose.

1. God gave you His gift of holy spirit for worship and communication.
2. God gave you the name of Jesus Christ to use as your power of attorney.
3. You became God's will and Word in a Satan-ruled world.
4. You became utterly one with Him working in you.

As we pull together and quit kicking against the pricks, we accomplish what God wants us to accomplish.

With your place in the Body comes a responsibility to succeed according to your committed ability, and with function comes a reward both present and future, throughout eternity. Be a WOW—go WOW. Be yoked with the Master.

## HOME AGAIN

Rock of Ages registration opened at sunrise yesterday in the cool Ohio air. At 5:45 members of Way Productions were in the tent ready to sing while the crowd lined up outside. "There are more people in line now than were at the first Rock of Ages," commented Rev. Martindale when he arrived on his bike.

Then it was six o'clock, the lines opened, and the tent was filled with music and excited conversations.

"I'm from Boise... from Wisconsin... from Tampa... Is that Rev. Finnegan in the WOW hat? We've traveled for three days. Did you sleep in the parking lot last night? Oh no, we didn't sleep at all..."

The Board of Trustees moved through the crowd, shaking hands and welcoming home the WOWs. Rev. Martindale handed out "I ♥ PFAL" buttons, while Rev. Ralph Dubofsky and Rev. Duke Clarke helped with the armbands. No one was happier, however, than Dr. and Mrs. Wierwille, who arrived on the "Twig Hopper" motorcycle to greet the first ones through the lines and to bless the returning WOWs.

## Bikers Get Ready

On Tuesday morning, join Dr. and Mrs. Wierwille for the traditional Rock of Ages Motorcycle Cavalcade. Be at the Registration Tent ready to go with a full tank of gas and proper riding apparel by 6:30 a.m.
