Corps-a-dors

"I'm gonna get off the fence and fly," sang Rochelle Fronberry, one of the traveling Truth-a-dors and Corps-a-dors that have been personally entertaining and ministering to people around the Rock of Ages grounds.

One young lady attending the Rock for the first time was led into speaking in tongues inside a tent in "Tent City." Just then the Truth-a-dors came by, stopped, and started singing, "You've got the power of holy spirit workin' inside of you."

Another believer had just decided the night before to go into The Way Corps, but asked God to show her it was the right decision. That morning as she sat with a Fourteenth Way Corps friend, the Corps-a-dors and Truth-a-dors came right up singing and sharing about The Way Corps. There were hundreds of people milling around grounds, but the "minstrels" knew exactly who to talk to. She went immediately to get her application.

The Way Corps:

Let My Life Tell the Story

This unique 35-minute presentation tells the story of The Way Corps. It will take you from the moment Benjamin Taylor decides he really wants to enter The Way Corps through his in-residence training years and to the beginning of his life as a Corps graduate.

It is impossible for our small minds to imagine the strong desire of God to have children.

God has always wanted sons and daughters to love Him, not by compulsion, not because we have to, but because we want to.

God's desire is that this Word of reconciliation be deposited in the hands of His children.

Power for Abundant Living placed the power and ministry of reconciliation back into the hands of the common man where God wants it.

Your life is not your own; God bought it with the price of His Son. When you try to take it back calamity results.

It's when you're in fellowship with Him that your old-man habits will be put to the side.

The ministry of reconciliation is the lever that makes all the other sonship rights a reality mentally for you.

It is in the hearing and speaking of the rightly divided Word that the abundant life becomes a reality. If you don't do it, you will have a void in your life.

The vision of Word Over the World must be your vision.

Most people have lived and died not knowing in their lifetime what a WOW Ambassador knows after one year.

We're into WOW because WOW helps people get into God.

When there's no commitment God is very limited. WOWs are committed.

WOW is our ministry giving to the world.

What a Family We Are!

Rumor has it that the Richter family is here from Minnesota with 26 members including in-laws. The clan takes up three RVs and a pop-up tent. Soon they'll be running Branch meetings at their family reunions.

Q What is the youngest major in the US Army doing next year?

A Going WOW, of course. 21-year-old Ty Klotz and his wife Kathleen are being commissioned as 1983-84 WOW Ambassadors.

One of the High Country Dancers in last night's TV production is the father of the first baby born during the Rock of Ages 1983. Dan Keyes and his wife Ellen have a baby girl, Carolyn Ruth, born Monday, August 15.

Water, Water Everywhere

...and do make sure you drink! Take advantage of the water fountains around the Rock of Ages grounds, or stop by for a bottle of distilled water at the Farmers' Market. You need to drink plenty of liquids in our August heat.

RV OWNERS

If you plan on spending time in Florida this winter, contact Gail and Frances Winegarner at the Adult Pavilion (after the Rock of Ages contact them in care of The Way International). Why not stay in Fort Myers with other believers?

Need a Change?

Have you thought about relocating? Or perhaps you've reached that age in life where you would like to retire. Why not consider buying property in New Knoxville for about one-third of the cost of property in states like New York, California, Florida and Arizona? Then you could put the rest of your money in the credit union or a certificate of deposit and use the interest. You could fellowship with believers and, if you so desire, could volunteer to work from time to time at The Way International and help move God's Word.

Hearts and Crafts Display

"Look at this 'Don't Worry' card," a young woman showed her friend. "I got a bunch of them. They'll be great to send people throughout the year." "And see this one with the two doves? I thought that would make a great anniversary card," she continued.

The "Hearts and Crafts" tent boasts everything from believer-made greeting cards to large landscape oil paintings to new music cassettes.

Besides pottery, children's literature and silk scarves, the tent also offers a wealth of information on The University of Life, Way Family Camps, the Word in Business and Profession Conference and other programs.

Lift Everything to God

The House of His Healing Presence may be the most important place for you to visit at the Rock of Ages.

Each Rock, Maurice visits the House of His Healing Presence specifically to set new spiritual goals for the upcoming year. For Terry Crook, it is a place where he can believe God to show him who he can bless and help. Susie Crook goes to get peaceful and pray. "I guess you can pray anywhere, but for me, this is a very special place." For Dave, the House of His Healing Presence is where he goes to be thankful and to dispose of all his fears and worries. "In there, I can just lift up everything to God."

Only God will know of the spiritual commitments made, the prayers answered and the hearts healed.
