"The principal key in a successful Christian life is fellowship with the heavenly Father. Christians manifest the more abundant life in direct proportion to the fellowship they keep with Him."

Our teacher has taught us: "Our first responsibility as a believer is not in serving God. Our first responsibility is in knowing Him as a heavenly Father."

God wants a personal relationship with His kids. All through the ages that's what God wanted—sons and daughters.

What does God want us to glory in? That we understand and know Him.

We don't want to magnify our own experiences. Let's magnify the Word, know the Word, and read the Word. Then we won't have any problem having a relationship with God.

The idea is to grow in intimacy with the Father. Make God a heartfelt reality, and the greatest way to do that is through His Word.

Just read the Word. It's the thoughts of His heart. Make God's thoughts your thoughts.

When it comes to handling the Word, there is a degree of worship involved because you are handling God's heart.

The one whole purpose of our life is to walk and talk with our heavenly Father.

As you renew your mind, then that peace of God, that love of God, that joy of God, His divine nature can be manifested.

The heart of Christianity was once defined by Dr. Wierwille as God as a Father through Jesus Christ building himself in us by way of his revealed Word that our day-by-day and moment-by-moment living is like and with the Master.

You know what God gets out of the Rock of Ages? He gets you and me. That's all God wants is us, His kids, to love Him, to worship Him, to walk with Him, to talk with Him.

In order for Power for Abundant Living to be our life-style, we have to come home in our hearts to God our Father by way of His wonderful Word and therein we can dwell in that peace, that confidence, that assurance, that joy, and that love.

Our times are in God's hands. We are what God made us. Therefore why not just enjoy that fellowship with Him?

Tonight in The Way Big Top Auditorium, Rev. Walter Cummins will teach on "Power for Abundant Living: Our Life-Style."

WHAT HAS POWER FOR ABUNDANT LIVING DONE FOR YOU?

"Ever since I was a child, I loved God. Power for Abundant Living taught me how to *know* the God that I have always loved."

Rosanne O'Hara
Washington DC

"Power for Abundant Living has made me more confident of who I am in Christ. At one time I was going to be a missionary, but it was a big emotional trip. I would be hot one week and cold the next. The PFAL class taught me to apply God's Word to my life every day."

Robin Richardson
East Rochester NY

"The biggest thing Power for Abundant Living has taught me is how to believe. I've seen every category of my life develop as a result of learning to believe God's Word."

Jeff Fraleigh
Waretown NJ

"Power for Abundant Living helped me overcome condemnation. When I spoke in tongues, I realized I could do something that was truly perfect."

Terry Cloninger
Ft. Polk LA

"My heart was like a candle. The world had come along and snuffed it out. Then PFAL came, and like a match flaring in the darkness, it rekindled the flame."

Britt Lynn
San Antonio TX

MY TIMES ARE IN THY HANDS

My times are in Thy hands

*Thou who enfolds me in the safety of Thy matchless Word
Thy fortress strong, and mighty tower
Thou who has set the perfect meter of the washing of Thy tide
Upon the beaches of life's sin-stained shore
Into Thy hands, I place the secrets of my heart
For only Thou canst make me rest within the hope
Whose quiet solace stills my trembling fears forevermore
My heart from out Thy hands can ne'er be torn away
Nor pried from out Thy grasp by wicked craft
Devised by earthly powers
And evermore within the safety of Thy gentle, warm embrace
I shall eternally be found to stand
For all I am, I owe to Thee
My Master and my Lord
And truly now
My Father and my God
My times are in Thy hands.*
