POWER FOR ABUNDANT LIVING: OUR LIFE-STYLE

Dear Ones All,

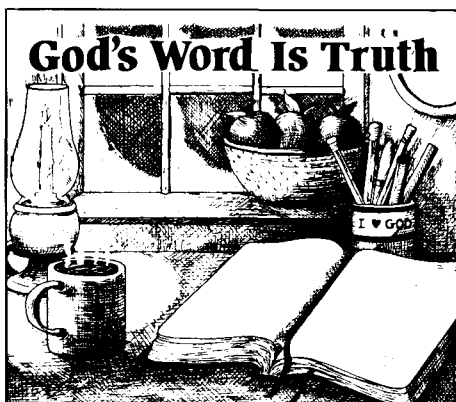

Another Rock of Ages is swiftly coming to a close. Again we have been blessed by the many teachings of the Word of God. Dr. Wierwille so often told us that the teaching of the Word must always have preeminence. The many teachers have put their hearts into teaching us that Word.

The wonderful music has certainly enriched our joy of life and our fellowship with one another. We have been so closely knit together in Twigs, in the House of His Healing presence, walking together, eating together, and helping in our areas of work. It takes a big family to make our Rock of Ages a blessing to so many.

At this time my thoughts again turn to the return of Christ, when we shall never again say "auf Wiedersehen," "goodbye," "au revoir," "adios"—any of these. However, at this time we cherish so many sweet memories of Rock of Ages 1986—Power for Abundant Living: Our Life-Style.

Much love,

*Mrs. Victor Paul Wierwille*

Kids, the greatest thing in my life is to stand approved before God.

"Our first responsibility as believers is not in serving God, but in knowing Him as our heavenly Father."

What do we do to get to know God? Study. Now why do we need to study? Because God expects us as responsible believers to study to know what the Word of God says.

If any of God's people are being destroyed today, it is because they lack a knowledge of the wonderful, matchless Word of God.

We are where we are today because of our believing. We will be tomorrow where our believing takes us. No one ever rises beyond what he believes and no one can believe more than what he understands.

We need to understand. Things need to be clear to our minds and hearts so we can believe.

Biblical food must be prepared. It has to be rightly divided before I can eat it and digest it and assimilate it.

The neglect of the Word of God is an improper diet. The spiritual anemia caused by the neglect of the Word of God may be attributed to lack of understanding when we read the Word.

We must come to the Word, 1) let the Word speak for itself; 2) harmonize our believing accordingly; 3) harmonize our actions and living accordingly.

Truth is that which is the same yesterday, today, and tomorrow and abideth forever. To the extent we rightly divide the Word of God, we have the Word of Truth; and we know it won't change.

Our direction, our guidance comes from the Word of God if we believe it, if we rightly divide it.

To fear (respect) God and stand approved before Him is the whole of man.

The greatest thing in our lives is to stand approved before God.

If we align our beliefs, our actions, our lives with the Word of Truth, then we will be able to manifest Power for Abundant Living: Our Life-Style.

Tonight in The Way Big Top Auditorium, Rev. L. Craig Martindale will teach God's Word and our 1986-87 WOW Ambassadors will be commissioned.

## Power for Abundant Living: Your Life-Style

"I want to take the focus off of me and my ability, and put it on the Christ in me, really making him lord in my life."

"I want to let the Word of Christ dwell in me richly."

"I'm going to replace the complexities of the world with the simplicity of God's Word as taught in the Power for Abundant Living series."

"I'm going to make Power for Abundant Living my life-style, well, first by taking it—the class, that is. I'm really looking forward to it."

## THE MASTER'S HAND

*There is so much in life*

*Man will never understand.*

*But through it all the Faithful*

*Will see the Master's hand.*

## "I'm So Glad I'm a Part of the Family of God"

When do people of all ages and backgrounds volunteer hours of their time to scoop ice cream, pour pizza sauce, or cook hamburgers for each other?

When can 20,000 people gather at a six-day festival and leave the grounds clean?

When can a man from New York lose his wallet and have it returned with everything in it, with a bless note attached?

When does a ten-year-old girl speak in tongues for the first time in order to pray perfectly for the people camping around her?

*When we worship our heavenly Father and His Word lives within our hearts. What a family! Thank you to everyone who has made Rock of Ages 1986 an example of God's Word in action.*

### TAKE TIME TO PRAY

I got up early in the morning  
And rushed right into the day.  
I had so much to accomplish  
That I didn't have time to pray.  
Problems just tumbled around me  
And heavier came each task.  
I whined, "Why doesn't God help me?"  
He said, "You didn't ask."  
I groaned and shouted and grumbled,  
I tried every key in the lock.  
I cried, "Why doesn't He open?"  
He said, "Son, you didn't knock."  
So, I got up early this morning  
And paused before entering the day.  
I had so much to accomplish  
I had to take time to pray.

## GOD'S PROMISES ARE TRUE

No matter what circumstances look like, God's promises are true. Elaine Gates, 27, of Elizabeth City, North Carolina spent time in prayer at the House of His Healing Presence Tuesday night before she went to bed. When she awoke the next day, she was surprised that her head and throat were congested. The congestion cleared quickly and she experienced the second surprise of the day. Her hearing aid, which she had worn since age 7, would not work. She tried several new batteries, but after the fourth one failed, she left the inoperative aid in her tent and went to the Morning Watch-Word. She was able to hear bits and pieces of the first sharing, and the entirety of the second one without difficulty.

Throughout the day she went to teachings, sitting further back from the teacher than she ever could before. "I even heard the squeaking wheels of a small wagon that was being pulled by!" she exclaimed. "I could never hear sounds like that before." Though doctors had felt that restoration of her hearing was an impossibility, Elaine and her husband, John, had been praying daily for her complete deliverance for the past four months. "I made a commitment to visit the House of His Healing Presence every day that I was here," she smiled. "I'm going back for more time with God today!"
