## Speak in Tongues!

"Behold what manner of love the Father hath bestowed upon us, that we should be called the sons of God..." (I John 3:1).

Such a privilege it is to be called the sons of God that to our senses it is incomprehensible! What a God!

Our father in the Word has enlightened the eyes of our understanding on just how to praise and glorify God the most, by speaking in tongues!

Take thought on the fruit of the spirit. By our speaking much in tongues, how abundantly our love grows day by day for God and the brethren.

"My little children, let us not love in word, neither in tongue; but in deed and in truth" (I John 3:18). What better way to love in truth than to speak the wonderful works of God?!

Yes, such a privilege it is to be called the sons of God. Such a privilege it is to have God in Christ in us. Such a privilege to be the habitation of God. And behold, what manner of love the Father hath bestowed upon us to give us the privilege of speaking in tongues.

Brethren, how much I love you all . . . in truth.

Rejoice with me,

# "The Rest and the Refreshing"

"One of the things that has always delighted me about speaking in tongues is that it is 'the rest and the refreshing' (Isaiah 28:12). When I am tired, I speak in tongues and get refreshed; when I need to be calm, I speak in tongues and get quiet on the inside.

"'The rest and refreshing' in connection with lifting others didn't become clear until Craig's teaching on 'Burden Bearers.'

He taught me that lifting situations takes pressure off the person who is being lifted. At that point, I am doing my utmost to give that person a chance to believe God and carry out his responsibility. I am giving him the rest and the refreshing that he needs also; so we're both getting blessed. Isn't that neat??"

## the mySITery

"Wouldn't you like to speak divine mySITeries? Let me ask you another question. You want to guard the mySITery, don't you? Think a second -- if you don't guard the mySITery, who will? So then, its not a matter of wanting spiritual guard duty, but divine mySITeries guard duty is your dutiful assignment. Well, have you arrived at your duty station? But, more important, are you on guard all your waking hours, by mySITering much!!!"
