*The Way Corps*

Can you believe that this is only the first week of our new schedule? Doug and Connie have absolutely been great examples to our lives in giving and believing. This has been the ending, or should we say beginning, of a fantastic, learning, challenging, growing week. So, hold on to your hats and prepare yourself for another great and exciting blast off on God's Word if the Lord tarries. Just look at these great quotes from last week. What a privilege it is to be in the Way Corps. It's the way of LIFE!!

Quotes from Doug Emerson

"The balanced life is in the renewed mind."

"You renew your mind to the Word, not people."

"Are you satisfied with garbage in and garbage out? NO! We are all gold medal winners."

"Nobody ever beats gold medal winners because they take the time to take out the flaws."

"When you feel tired, low, weak or discouraged, read the Word. It will give you freshness, vitality, and strength!"

"When you are on the Word you will be totally involved with giving."

"When you are not operating giving, you are cutting off the flow."

"Anything that is worth having is worth fighting for."

SHARING FROM THE HEART OF THE CORPS

"Unity without humility  
is hopelessly impossible."

Dr. Wierwille

"The last six months in  
the Corps have shown me  
the reality of the person  
I always wanted to be."

Shar Moore

"I think this is one  
of the greatest days of  
my life. I like you  
folks."

Dr. Nichols

"The Corps involves  
learning how to love  
the detailed life."

Patty Eaton

"Before you confess  
Jesus as Savior, you  
have to realize that you  
need him, and someone  
has to rap the Word first."

Pat Lynn

"We are fishers of men  
using professional golden  
hooks."

Doug Emerson

"While we live we must be  
moving on. Where we stop  
we begin to die. Rest is  
necessary, but only to re-  
new our strength that we  
may press on again. An  
anchor is needful for a  
ship, but anchoring is not  
a ship's business, it is  
built for sailing." "We  
were having a break at  
work over at the Sidney  
House and I was feeling  
the hard days work. I  
walked into one of the  
sitting rooms and picked  
up this book and read this  
quote. God was working in  
my heart."

Becki Belcher

Book: Go Forward  
by: J. R. Miller

"We must develop a mental  
toughness to the point  
that we just don't budge  
on the Word."

Dr. Wierwille

"Jesus Christ, a man of  
principles."

2. Love
3. Giving
4. Hope
5. Law of Learning

MORE HEART BEAT, BEAT, FROM THE CORPS

We have JOY!

"It's Saturday the 29th, and it's really beautiful to see our family become tightly knit together as we work and believe together. Think what it will be like when the rest of the gang gets back! Exploding fire-crackers and skyrockets of believing will be witnessed for miles around. No one will be able to break our ranks, just like the army that is described in Joel 2:1-11. God's preparing us more and more each day as we continue to study and walk. What an exciting time God has called us to!"

Marcia Fry

"The new schedule has made one verse of scripture really live for me. Behold how good and how pleasant it is for brethren to dwell together in unity. Psalm 133:1 How else could we explain running at 4:15 a.m., studying at 5:15, candle-light suppers, and witnessing together?"

Nora Poling

"At one house, a woman came to the door, and we started talking. She said immediately, that she already knew about The Way and wasn't interested in it, which is a very typical line. I said to her, you couldn't possibly know ALL about The Way because if you did, you would BE INTERESTED."

Fran Nave

"Lovely child of light, be not afraid. Or of any matter do not be dismayed. God is with you, rejoice, my little one. He'll sweeten your life with His goodness. The victory has been won.

Joe Fair  
Verse 2 of Fear Not

"This verse says it for the Corps and its objectives. John 3:21... he that doeth truth cometh to the light, that his deeds may be made manifest, that they are wrought in God."

David Wahl

We have so much to be thankful for. Let's work together as we have been called together as one body.

## SALES PRINCIPLES

Exhibit: This class will show you how to increase your prosperity. This means you can be sure to always have everything you need. See this dollar bill? This is probably one of, if not the biggest, concerns man has. This very dollar bill is mine today because of the keys taught in the class. There is more to prosperity than just money. This holds true to every aspect of life, be it material goods, peace of mind, friends or whatever. You would like to have everything you need, wouldn't you?

Kip Holdren

Demonstration: Power for Abundant Living enables you to separate truth from error, which means to you that you can know what to believe and what not to believe. Take your daily newspaper, (pick it up.) I am sure you realize that one article may be true (point to one at random), while another might be false (point to another and toss it down). You would like to know what is truth and what is error, wouldn't you?

Janice Corrodi

I never thought I'd be walking with God  
Talking with God and holding His hand  
I never thought that I could live in such peace  
Have my heartaches released, a son now I stand  
For God has put within me His spirit gift so free  
I'm born again of His seed now, part of His great  
family.

Day by day my walk with God grows with His love and joy  
As I learn to listen to that still small voice inside

The Father watches out for me and more and more I see  
The beauty of my walk with God in knowing Christ in me.

Steve and Bev Strick  
Chorus and verse 3 of  
Walking With God

Thanks be to God which always causeth us to triumph in Christ!
