The Way Corps

What can we say except that we know (ginosko) this week has been a blast off on God's Word!

It started off with a big bang at the Ohio Limb meeting in Columbus. The gathering was a joyous occasion and a momentous day in history, being the premier of Jesus Christ Is Not God.

We had a fantastic time of holding forth the Word this week; all we did was plant and water and God gave the increase. What about that one morning when we awoke at 3:30? What a great way to build our believing! As we were running down Wierwille road, we noticed a light shining from the woods, and much to our surprise at 4:15, we met around the camp fire and joined hands for a special time of fellowship and prayer for the needs of the ministry. Later on, we held forth the Word all day, and oh, how can we forget our Tom Reahard! You were top notch with the PFAL Explanation! We could name so many things that happened this week, like the meeting Doug had with the men, and Stanley with the women. Fantastic heart sharing! From all the talk, it was out of this world and many needs were met. The Corps is so fantastic. As a result from these and many other happenings this past week, it has drawn us together as a tighter Corps family. So, open this page and you will read a few quotes that we can treasure forever in our walk with God.

They are real diamonds!

SHARING FROM THE HEART OF THE WAY CORPS

"Heartbeat is the enthusiasm of the Way Corps."

Barbie Hull

"I was sitting at my typewriter on the morning of the 3:30 A.M. "rise and shine". Desperately, I fought the sleep monster who had taken me down for the final round. Wait a minute, the Word lives in my mind. The Word is lively and sparkly, and so am I. Those thoughts absolutely dazzled my brain cells. In a flash, the sleep monster had disappeared."

Rosann Holdren

"Cure for nod-outs, give out."

Sharon Driscoll

"I was looking at the PFAL syllabus under renewed mind, and I noticed that the third step to the renewed mind is to live love. We love God, love His Word and love our fellow-man. The important thing we have to do is love, love, LOVE."

Avis Craig

"Since the Corps began, I have noticed that I have a greater capacity to love people. Witnessing is so much fun because love always reaps results. Praise God for the Corps."

Connie Crow

"Every day we can make a home run in the game of life."

Patty Eaton

"Our stones have all been rolled away. All we have to do is walk out."

"We are spiritual partners."

H. E. Wierwille

"The world is like a greased pig. You can't hold on to it."

"We watch out for each other by speaking in tongues."

Doug Emerson

Discipline is the key to freedom.

"One of the first sights I saw while entering basic training at Parris Island, S.C., was, "Through these portals pass the worlds greatest fighting men". I can vividly see at The Way International a similar quote above the entrance, "Through these portals pass God's greatest fighting force"! That is what you are; a force in readiness. Never backing down to a challenge, but ever going forward with the Word of Life. When we stop, we die! You now have the weapons, so go and just fight the good fight. You will certainly be victorious over the world. Good bye! I love you beautiful people much. You're the BEST!"

Doug Williams

GOD-the greatest lover
SO LOVED-the greatest degree,
THE WORLD-the greatest number,
THAT HE GAVE-the greatest act,
HIS ONLY BEGOTTEN SON-the greatest gift,
THAT WHOSOEVER-the greatest invitation,
BELIEVETH-the greatest simplicity,
IN HIM-the greatest person,
SHOULD NOT PERISH-the greatest deliverance,
BUT-the greatest difference,
HAVE-the greatest certainty,
EVERLASTING LIFE-the greatest possession.

"I saw something which brought home what Doug has been driving concerning helping each other and being a team." Psalms 119:104- Through thy precepts (Word), I get understanding: therefore, I hate every false way (from the adversary).

David Wahl

"And now I know my Father God and my Savior Jesus Christ. I know God put within me all I need to walk this life. For God has given holy spirit as His gift to me. No greater power of this world compares to Christ within. Verse 2

Walking With God
Steve and Bev Strick

Sales Principle by Kip Holdren-

Demonstration: So that you can have peace and confidence. I would like to demonstrate how this principle works. Let's let this room represent your your mind. Darkness will represent fears and worry, which are negative. Light will represent knowledge, which is positive. Now if you have fear and worry, your mind would be dark, like this (turn off lights), but when you take the class and receive the knowledge from the class, that positive comes into your life (turn on lights), and the fear and worry is gone. You would like to have peace and confidence by getting positives into your mind, wouldn't you?

As a result from this past week, we are growing bigger and tougher spiritually. Thanks be to God. He is always with us in every situation. What a joy to be right here in the household and from the household of God, we can learn so much. God sure has blessed us!

Finally, my brethen, be strong in the Lord, and in the power of His might.
