The Way Corps

"We need a discipline out of love and not out of fear."

"We are a disciplined hard core group for the Lord Jesus Christ"

"The Corps is distinctively distinct. I'll just never let anybody touch the Corps and I'll stand toe to toe with you against any opposition from the outside."

Dr. Wierwille

"You can see growth in the Corps when teamwork becomes clockwork."

Dave Jordan

"No matter how good looking you are, you have to have confidence to be effective with people."

John Guthrie

"I found Body, Soul and Spirit week so much more meaningful after I gave a small part of myself.

When I saw how much my brothers and sisters in the Corps were blessed, I was blessed even more."

Howard Yeremian

"You don't need alot of people to move God's Word, you just need people who are knowledgeable, disciplined and committed."

Dr. Wierwille

"There was a great tenderness in the Corps as we all had the opportunity to see talents (hearts) unfold."

Chris Smith

Body, Soul and Spirit the three they must agree being perfectly united to show forth Christ in me.

Connie Crow

PARENT'S SHARING

"We we're just muddling around trying to get out of each others hair. Not until the Way Ministry came into our lives did our family get it together."

Mrs. Maxson

"We received alot because we expected to receive a lot when we got here."

Ralph Anderson

"I've been a Catholic for 44 years and I haven't had anything until today. I know the future of America is in their hands. (Corps)"

Mrs. Vandergrift

"I spent 40 or 50 hours here last week, and I thought I knew the Corps. I haven't begun to know the Corps."

Phyllis Brautigam

"I thank God for the physical son that he gave me, but I also thank God now for my brother in Christ. He led me up spiritually."

Mrs. Martindale

"We received a lot because we expected to receive a lot when we got here."

Ralph Anderson

"I don't know how else you can build a friendship besides sharing the same space, face to face, spending time with someone."

Elena Whiteside

"We're seeing depth in one anothers hearts like we've never seen before."

Sue Miller

"The presentations have been refreshing, soothing, relaxing, sweet, like the delicious oranges of the East. They remind me of serving the Word on a tray of silver."

Bless you,
Ann Hastings

"Body, Soul and Spirit week was a beautiful opportunity to see the blossom life in each Corps member. The beauty, individually, was fantastic but as a body it was even greater."

Chuck Dietlin

"This weekend I was very blessed to see the Corps through the eyes of my mother. Your giving was unforgettably beautiful and the closer I looked at your hearts the brighter Christ shone through. Thank God for the Way Corps Open-Hearts Club Clan!!!

Buddy Rix

"It was tremendous loving the parents last week. Older folk just add a special flavor to the family of God..."

Paula Caffarel

"You've only once to live this day
You can use your time wisely
Or fritter it away.
The choice is yours
You alone will decide
Whether to obey the man
of God and grow
Or submit to foolish pride.
So just ask yourself when
day is done,
"Have I done my best to serve
as God's son
Am I worth my salt in this
spiritual war
Befitting a son of God
In the Way Corps?"

Nik Maxson

"Redeeming the time can mean
being still and knowing that he is
God. Let's take some time
and know who God is."

Rev. Ross Tracy

"Are we going to be so spirit-
ually minded that we are no
earthly good?"

Rev. Ross Tracy

"The balanced life of man
is in the self-adequacy of the
mind.

The Bible is nothing more
than a book of champions."

Doug Emerson

"The pure beauty, the divine
simplicity and the eternal
essence of Christianity is
Love. To me, the Corps
is a living epistle of the
True Dignity of Man."

LAWS STATED IN THE PFAL CLASS

11. Laws of nature instituted for healing.
12. Synchronized confession--get your actions to correspond with what your mouth says.
13. Law of learning
14. To explain something, you must be bigger than that which you are explaining.
15. With the coming of the greater, the lesser disappears.
16. Everything must ultimately go back to its original state.
17. God can only give what he is.
18. Once the cause is removed, the symptom disappears.
19. There is substance required of which the thing made consists.
20. Law of reversed efforts.

Our heavenly Father wants us to walk worthy of Him, to walk worthy of saints, to walk the Word, not merely to speak it, but to live it, for it is God in us.

Unless we keep the oneness of the spirit in the bond of peace in the household of God, the knowledge of the greatness of the mystery of God's habitation in His sons will again be lost.

Knowing who we are and what God has done for us and all that is at stake, how can we not walk worthy?
