The Way Corps

Candles in the City

--come as the fire and burn;
--come as the wind and cleanse;
--come as a light and reveal,
convict, convert, consecrate,
until we are wholly Thine.

E. Curtis Jones

That perpetual sustaining power
that came on the Day of Pentecost
was for us so we can live each day
giving our best for God our Father.

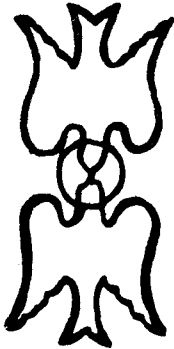

Jane Yeremian

This was my first Pentecost at
The Way Int. and to see all of the
old-timers here was a real blessing
to my heart. People that I had
not seen at International for a
number of years. This showed me
the importance of the day to
Christians who are believing
believers.

Rev. Jim Doop

I'm beginning to see that if we really believe this ministry can live with the power of the First Century Church, we need to hold our men of God, like Dr. Wierwille and Craig, with the same respect we give the men we read about in Word such as Christ and Peter, and Paul. In short, be obedient!

Christopher Rix

Quotes from Twig Leaders' meeting--

Every truth must fit in the framework of the manifestations.

1 Timothy 3:16 tells us that Godliness was manifest in the flesh, and we learned from Craig's teaching, that that is the new birth of Pentecost.

"A mind that is not renewed on the principles of the seven epistles is not a sound mind."

Stand with people to get them to do the Will of God.

The fight is not against people, it's against fear, and wrong doctrine which is not standing on the mystery.

Believing rightly is believing according to the administration in which we live.

Be excited about redeeming the time. You don't have time to reflect on the past.

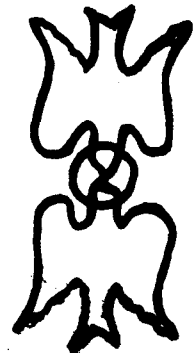

Leaders put spiritual values above anything else.

"--standing is between the ears."

When the Covenant of Salt is carried out, miracles happen.

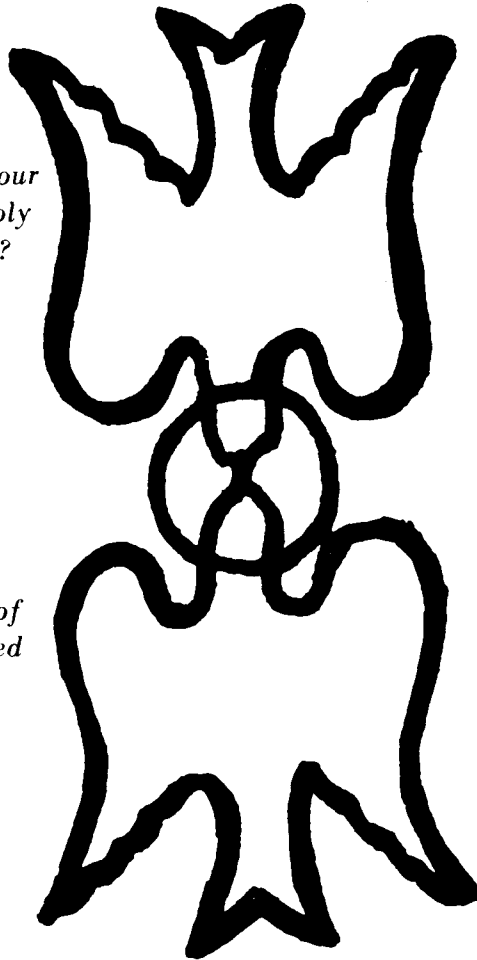

That perpetual sustaining power that came on the day of Pentecost was for us so we can live each day giving our best for God our Father.
