WORD AND MUSIC WEEK

Way Productions was designed to be the overall title for the field of fine arts, including every phase of that type of ministry which we feel is so urgently needed in our day and time. For the most part, the fine arts field has been under the control and domination of an entirely different spirit than the one represented by the true God and His Son the Lord Jesus Christ.

Dr. Wierwille

TO RENEW YOU MIND

1. Study the Word
2. Control your thoughts
3. Practice the presence of God
4. Live love

I press toward the mark for the prize of the high calling of God in Christ Jesus.

Paul the Apostle

Men teaching faithful men who will teach others also-- that's Word and Music Week. And that's our ministry in every other aspect. Nobody else knows it!

R.J. White

Reaching a goal you never set is just as impossible as coming back from a place you've never been.

Stephanie Louis

This word and music workshop is another first. The teachers are sharing their knowledge but most of all they are opening to us their hearts and are showing us the spiritual understanding of their particular field. The beauty of the Word set to music is the best and here we are learning to present it the best, to bless God's people.

Shar Moore

Our ministry is one of action and not talk. Take a look at our workshops. We're not merely talking about coffee-houses and song writing--we are working on a coffeehouse and we are writing songs. No wonder we accomplish so much every single day.

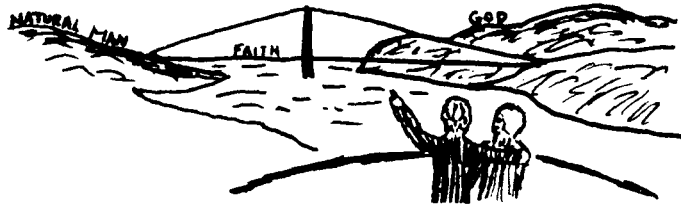

Gloria Lora

I think the measures are great vision builders and gave me much to think about on applying the principles to other areas of my life.

Roger Thompson

The thing that blessed me the most about the Word and Music Week was the unity and sharing in the measures. I was able to say and share what was on my heart freely.

Belle Beutel

We really are innovators for God. Getting over the "hump" is when you concentrate on your abilities with God instead of your attempts without him.

Allen Hamilton

Unless you push yourself, you really don't change.

Stephanie Louis

You never lead people til you love them.

Bob White

When you do the best that you can do in that situation, you are operating the renewed mind principles.

Ted Ferrell

I believe that many miracles will happen this week because of all of the believers who are constantly believing for many miracles to happen.

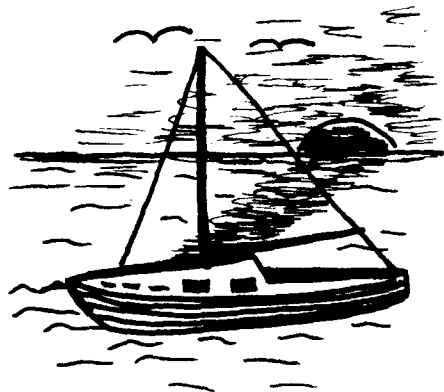

Johanna Hess

The old man nature always pushes you to go extreme.

Jamie Louis

It's our responsibility to keep our seas calm. He's the pilot, we're the co-pilots. When we listen to him, our seas are calm.

Helen Parker

There truly are ideas, divine secrets that God reveals to us His children, but we've got to believe them and carry them out or we're not truly self-motivated, or willing to walk out on a limb of believing.

Jim Wahl

NASHVILLE

There were two great feats accomplished at Nashville:

- 1) We still won the spiritual contest, because the rightly-divided Word was held forth,
 - 2) The traditions of the gospel song people were shaken.
- HALLELUJAH!**

Bruce DeAmario

Joyful Noise at Nashville were the only people who sang about the Word. No one else even recognized the Word. It was an interesting spiritual battle. Those people in the audience never heard that Word before like they did that night.

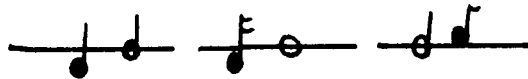

Steve Strick

After going to Nashville this past weekend, I now see how Way Productions far surpasses anything in the gospel music field and leaves them all trailing in the dust.

Marcia Fry

The obvious absence of young followers of gospel music at the International Convention in Nashville, and the obvious presence of 500 young followers of Joyful Noise, convinces me that this is the beginning of a new style of contemporary Christian music--and we are the pioneers.

Howard Yeremian

We are sons of God, shining as a light,
Casting out the darkness, holding forth the Word of life.
Fearless as we stand upon the promises of God,
Proclaiming the wonderful works of Him every morning, noon
and night.
