

The glass is Christ . . . the water is you.  
The water can't get out if it tries.  
It's restful especially at the bottom.  
The big waves are at the top of the ocean.  
- Get deep enough in Christ and all those waves  
subside.

Doctor Wierwille - Advanced Class

"You can be rooted without much ground.

We're not to be surface rooted, we're to be ground rooted."

"If you're deeply rooted, you're gonna have a few waves at the top of your life, but never at your foundations of conviction."

"The whole purpose of the Advanced Class is Ephesians 1:4."

"The mind is your perpetual battlefield."

"If you feed your mind on anything but the Faith of Jesus Christ, your thinking will always get out of control."

"Christianity is a walk of exuberance, grace, joy, blessing."

"The greatest part of the Advanced Class is to get you to the place where nobody can hoodwink you spiritually."

"Who do you take orders from? The head (Christ/the mind)."

"The resurrection is the whole keystone to Christianity - of truth. It ties the whole building together."

"This is why the three darkest days are the three days and nights in the grave.

The three darkest words ever spoken: "It is finished."

The three greatest words ever spoken: "He is risen."

"The resurrection stands as the great fulcrum of what God wrought in Christ Jesus. And that's why we're having an Advanced Class."

"God chose us! Boy, the one thing I want to do is make Him proud of His choice. Sure, I blew it. But when I do, I go back and ask for another ice cream."

Dr. Wierwille

"When you walk this life you don't go around and explain yourself. They wouldn't understand anyway! Men and women don't make your life, God does!" Dr. Wierwille

"Control your thinking not to get out of bounds."

Literal of Romans 12:3

"But I say to you because of the grace that was given me for all of **you**, control your thinking not to get out of bounds by feeding your mind with respect only to the measure of faith God has given to every man."

"Failures are over with and unimportant, it's success that counts." Dr. Wierwille

"Back up the Word, don't back up on the Word." Dr. Wierwille

"Truth needs no defense - it needs a dynamic offense. In this class we'll develop a dynamic offense without being offensive." Dr. Wierwille

"People, and that's us, believe what they want to believe."

"So, people, in your witnessing, don't ever get so serious that you think that the Word depends on you."

"Once a person arrives at the point of commitment, there's no stopping them." Dr. Wierwille

"Studying is a great aspect of life. It's a 24 hour a day awakening to the love and grace of God."

"It's easy to get excited about the Advanced Class. But revelation comes in over quiet seas. The quietness and serenity comes from our study and knowledge of the rightly divided, revealed word." Bob Vignola

"It's controlling my thinking that makes the difference. My thinking is to be moving forward according to the path of the Word. It's the measure of faith God has dealt to every man. So I determine the thinking for my growth."

Vincent Jude Boglioli

"There's no such thing as real music, unless the Word is in it." Skip Mesquite

"Being 'professional' in music is no different than being 'professional' in the Word in that you love it and learn it to the extent that you live it and make it live in the lives of others by your communication." Wille Sisneros

"When the Word is alive charity is there, and charity will cover a multitude of sins. If the Word is not alive you can count on sin being magnified." Kirk Malmberg

"I get the most out of my study time when I set up a rigid schedule beforehand that includes a variety of things: read the Word, retemory, letter writing, collaterals, etc.; sticking to it is the key to success." Donna Strauhal
