"We've got nothing to apologize about; God took care of that in Christ Jesus. We don't bless people because we're perfect, but because we're faithful. You do your job and the utmost for His Highest and don't worry about anybody else.

You never use inspiration as an excuse for lack of preparation.

Good mornin' God, thank you for the brand new day;  
I'm sure thankful for your great understanding always.  
I know that this is the life I want to live  
And you are always there and very ready to give.  
You give exactly what I need at the exact  
Time I need it. You're never late; I never have to wait.  
To worship you in perfect prayer is all I want to do.  
You're never late with that inner strength  
And enable me to go that extra length.  
I praise you, God, for your kindness and goodness  
And for your everlasting peace and joy.  
I love you, God, with all my heart  
And thank you for the brand new start.  
Each new day all along the way  
You're by my side, stride for stride.  
You shower down blessings manifold,  
Many times too much to behold.  
With each passing moment in time  
I grow stronger in your love divine.  
You're always there, You're never late.  
You teach me how to keep it  
straight.
