ACTS  
17  
:28

Looking at the darkness of the world in which I belonged  
I thank my God again for the grace that He's made known;  
For allowing me to live in this day, time and hour;  
For giving me the right to manifest His power.  
He's delivered me and brought me into this glorious light;  
He's given us His power; He's given us His might.

There's a new light shining over the horizon,  
Expanding, growing brighter each day.  
As men and women rise up to His calling,  
Yes, the Mighty Word of God is here to stay.  
The only true foundation we can stand on;  
It brings freedom and deliverance to the bound.  
We must hold it high; we must hold it tall;  
For no other place can Truth be found.

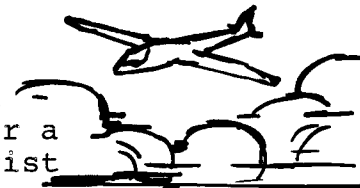

Yes, there is hope for this country as we, God's force,  
continue to decide.  
To walk this Word of great Truth and Freedom;  
Forever God will walk by our side.  
It's you and I who are to carry--and with this  
sword, cut through the night into the day of hope and glory;  
God has given us His power; God has given us His Might.

Beth Sportel

"Romans, Ephesians and Thessalonians are like riding in a  
sail plane: You take off in Romans; in Ephesians you soar a  
little higher; and you land in Thessalonians and meet Christ  
in the air. That's the highest you can go."

Greg Moore

"Hold the Word in mind and act accordingly."

Dr. Victor Paul Wierwille

## THE ACT OF DECISION

Without the power to decide, a man's thoughts and dreams are like vapor blown in the wind. He goes nowhere until he decides where to go. Life is made up of little decisions and big decisions; and how a man decides determines the direction of his life. Decision is the courageous facing of issues, knowing that if they are not faced, problems will remain forever unanswered. Decision is the freeing of one's self from the morass of fear, doubt, anxiety and uncertainty. It is the courage to risk a wrong decision rather than to make no decision at all.

Wilfred A. Peterson

"It's not lying to not tell everything you know, else God would be lying every time he told us anything."

Rev. Craig Martindale

"When we feed our believing, our doubts starve to death. Just feed your believing encouraging thoughts from God's Word and you will find that your doubts will fly out the window."

Dr. Peter J. Wade
