

HEARTBEAT

Like great ships heading full sail on
Bountiful seas,
You can find smooth sailing, on the
Way C. of E.

Laden with bright treasure, surpassing
Earthly delight,
Way C. of E. a peaceful harbor, where
We grow to know its light.

Guided by the Master's compass, and Christ
By whom we fight,
Wheeling nine spiritual cannons, a course
Of victory, we sail in light.

Bringing aid to other sailors, God's Word,
His love, His care,
Guided by our Master's compass, without
A worry or a fear.

Way C. of E. you've been our home, a
Helper amidst any strife.
If not for you to bolster and advise,
Would our voyage be so bright?

BULLETIN

'Our walk is proof of whether we are believing or not...We are not ever dependent on our surroundings because God is always there...Dr. Wierwille has said, 'The least God can do is His Word.' The most He can do is according to your believing...Our mind is like a computer. We want to hold truthful thoughts in our computer...Where else could you learn so many truths that you could stake your life on?... You are the most important person in your life. You are responsible for your actions...When we walk tall, that whole armor of God won't rub."

Mrs. Victor Paul Wierwille

"When you get to those deserts of your life, God will meet your need...Out there in the world, every place is tough...Love without courage is encasing...It's not how much money you make, but how much you have left over."

Dr. Victor Paul Wierwille

"You never understand what 'need and want parallel' means until you get into service. When you're doing it to the glory of God and the furtherance of His Word and you need something and want it, you'll get it."

Rev. Craig Martindale

"Let's keep our head in the heavenlies and our feet on the ground."

in the fulness of time, he's coming back."

Dr. Victor Paul Wierwille

working for. Without obedience, the mystery won't live.
With obedience comes faithfulness."

Man Shall Not Live By Bread Alone

The world makes it and calls it Wonder Bread
White flour counterfeit

God's whole grain Word renewed mind is determined by
Rich ingredients in every bite how much you can break
Builds strong men and women the law--
Fills them with the abundant Life. the law of inertia."

One man awake

Can awake another.

The second can waken

His next door neighbor.

Three awake can rouse a town

And turn the whole place

Upside down.

And many awake can raise

Such a fuss

That it finally awakens

The rest of us.

One man up

With dawn in his eyes

Multiplies.

Wake up, America!

"We can't legislate, only educate--but better still, demonstrate. And when we demonstrate, we set the demon straight."

Dale M. Sides

Unless we see a man through the eyes of love, we see him out of focus.

"Jesus Christ, the perfect sacrifice, had to fulfill the law, every jot and tittle--even die at the right time; and that's discipline.

If God can't stand sin, where does that leave you and me?

God is going to drive His big condescensio foot right in the Adversary's mouth."
