 Praying in the Prayer Room

From "Luke 4, Jesus Tempted": DR. VICTOR PAUL WIERWILLE

"In the Corps, you're going to be full and yet tempted.

Satan never wastes his time with empties; he already has them.

If you think that just because you're in the Corps, the Devil is going to leave you alone, you're wrong. You've got another thought coming.

When tempted, Jesus Christ quoted scripture. That is the Corps. Reply with the Word."

From the noon meal: REV. CRAIG MARTINDALE

"No one goes beyond what they're taught; let us at least get to what we are taught.

We gear our minds to the absolute title deed of success in every situation."

From the Figures of Speech Class: TOM REAHARD

"Figures of Speech, as used in the Bible are scientifically accurate, yet artistically beautiful. What color is to black and white television, figures of speech are to language. What condiments are to food, figures of speech are to language. They accent and embellish."

"Stick your head into the Epistles!!!!!!"

THINK!!!"

Rev. Craig Martindale

"From the rising of the sun unto the going down of the same the Lord's name is to be praised."

Psalm 113:3

"I am a link in the chain. I see myself as a vertebra in the very backbone of the ministry. That means I must stand on the Word. If I slip out and don't stand on the Word, the body will hurt."

Lyle Barlow (Student)

"The earthly child that is born does not have to worry where his life comes from; he just lives it quite naturally. The believer who is born again does not have to puzzle out how his new life works. Like Jesus Christ, we simply need to acknowledge God as our source. He rejoiced in that truth and quite naturally and spontaneously he walked uprightly according to the word of his Father. Our walks are no more difficult."

Tim Stiles

"Bless the Lord O my soul and forget not all His benefits. (Psalm 103:2) "God's Word is truth. That is a fact. Act on it; then you'll see the benefits."

Sonny Culbreth

From Science and the Scriptures by Henry Morris, PhD.

"If God is the Creator and Sustainer of all natural processes, then he can surely change those processes when and as He wills. Thus, to say that miracles are impossible is simply to deny God. Antisupernaturalism is atheism."

Psalm 73:9

"Take care of yourself with tender love and understanding, as a mother with a child, with a vision, to raise up."

Karen Lloyd

"Jesus Christ walked on earth 40 days in his resurrected body. Christ thus achieved another first. He gave this new type of body its first road test and proved it works."

Ken Petty

"People who don't want to move in life don't need Power for Abundant Living."

Marvin Runge

"We don't brainwash people; that is so shallow. We heart-
wash people; that is much deeper."
