FROM THE TABERNACLE CLASS:

HEART-BLEET BULLOCK-TIN

"Christians have crossed the Red Sea to salvation, but some of us are still wandering in the wilderness because we haven't crossed the Jordon to the promised land.

When God says jump, we jump. It's His problem where we're going to land.

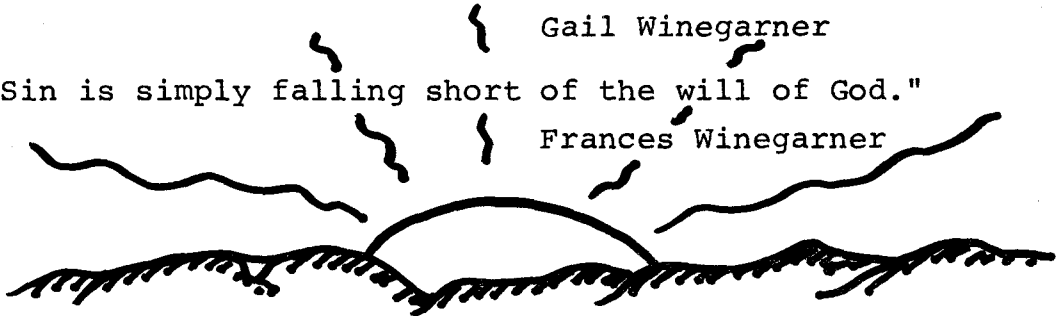

The Spaniards came for gold, the Pilgrims came for God and the Pilgrims got the land.

When the pupil is ready, the teacher will appear."

Gail Winegarner

"Sin is simply falling short of the will of God."

Frances Winegarner

"When a person squarely stands on God's Word, God backs him up. God, who invented life, ought to know how to live it. If I get my mind tracking on what God says, then I will live life more abundantly.

The single element that defeats Christian believers is fear. The greatest cause of defeat is guilt and sin consciousness in the heart and life of a believer.

Learn how to operate legal rights, which are the CHURCH EPISTLES. The Epistles are the standard of a Christian believer's walk and life.

Whenever God speaks to you (by His written Word or the manifestations), it is holy ground because God has magnified His Word above all His name. When you meet in your twig and have the Word rightly divided, that's HOLY GROUND."

Rev. Craig Martindale

AT NIGHT

"Daddy?"	"Daddy?"
"Yes, hon?"	"Yes, my babe?"
"Daddy? Are you here?"	"Why?"
"Yes. Be still, little one. I am here."	"Because..I love you."
"Daddy?"	"How?"
"Yes, beloved?"	"In my grace."
"Will I be strong?"	"When?"
"As strong as an oak."	"When we're home together."
"Will I grow?"	"Daddy?"
"As a child to a man."	"Yes, small one?"
"Will I stand?"	"Daddy? What will happen then?"
"As a victor."	"A treasure chest will open and all the gems will be fully seen."
	"Daddy? Will I see one?"
	"My child, you are one."

ONE MAN

Marching, marching; the men were getting squawky,
Then came an order over the walky-talky.
The order sent the men to the front of the fight,
Some of them cried, "We'll be dead before night!"

But one man stood and he said with a grin,
"If you'll believe God's Word, you'll live my friend."

We fought hard for a night and a day.
Every time we tired, one man would say,
"Believe on the positive and expect the best,
Stay strong in the Lord and you'll find your rest."

Finally there was silence - no more fighting to be done.
The battle was over, and we had won.

We checked all the troops; everyone was there.
One man stood...He said, "Join me in prayer."

Thank God for the victory we achieved,
And Thank you, God, for your Word we believed.
Thank you, God, for keeping us safe to the end
And as one man stood..they all said AMEN!

Sonny Culbreth.
