Dr. Victor Paul Wierwille

"Wherever there is a hardness of heart, there is a lack of peace."

Dr. Victor Paul Wierwille

A friend hears the song in your heart and sings it to you when your memory fails.

# DO IT !!!!!!!

"Sound speech is mystery talk."

"Freedom is not a cause; it is an effect. Something has to be done to obtain freedom... You can't have an accurate knowledge of history without first having a knowledge of God's Word... Our country was founded on Biblical principles and it can be documented... You have liberty when you have Christ within and you take a stand or die. When you have Christ within and you don't take a stand, you might as well die... Our nation is not protected by over-aggression; it is protected by believing... The Declaration of Independence for believers is Ephesians 6:10-17...

The action we must take to maintain freedom in this country:

1. Speak in tongues much for our country and nation.
2. Speak and hold forth God's Word. You have nothing to lose.
3. Live your citizenship, not only politically but spiritually. You are still the boss."

#### A MOTIVATOR

"With majesty, authority, and dignity supreme  
He magnifies the Word of God,  
The Captain of God's team.  
With skillful craft and workmanship,  
He lets the arrow fly;  
And drives it home, home to the heart--  
God's Word--Do or Die!!!"

by David Bergey & Alicia Curley

"You can't know the God of Truth until you know the Truth of God's Word."

Gail Winegarner

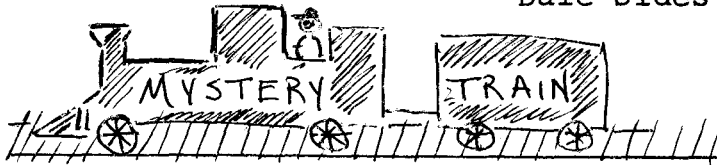

"To be able to give and to receive unreservedly is a man's joy--the joy of giving what God has freely given. It's a walk, a lifetime of learning. First come the blade, then the ear, finally the full corn in the ear. We must never get discouraged with ourselves, but instead be totally thankful--thankful for the number of steps behind, thankful for the one ahead; for if we are not moving ahead, we are dying. There really is no logical choice. We know too much not to walk worthy of our vocation. We can always fight one more round, for in our gloves are the hands of God."

Tim Stiles

"The Way Corps are the ticket takers and conductors on 'The Mystery Train'."

"Signs, miracles and wonders are happening. Look for the little things."

Rev. Earl Burton

Man  
without God  
is a failure.  
A man can never be  
captured in his heart  
unless he wants to be.

When is man defeated?

"'Word conditioned' is a behavior pattern developed by our freedom of will in accordance with God's Word and Will."

Rev. Walter Cummins

"It's easy in the world to live after the world's opinion and in solitude, to live after our own. But the real man or woman is he who, in the midst of a crowd, keeps with perfect peace the independence of a son of God."

"To know the Will of God is the greatest knowledge. To find the Will of God is the greatest discovery. To do the Will of God is the greatest achievement."

Rev. Lonnell Johnson

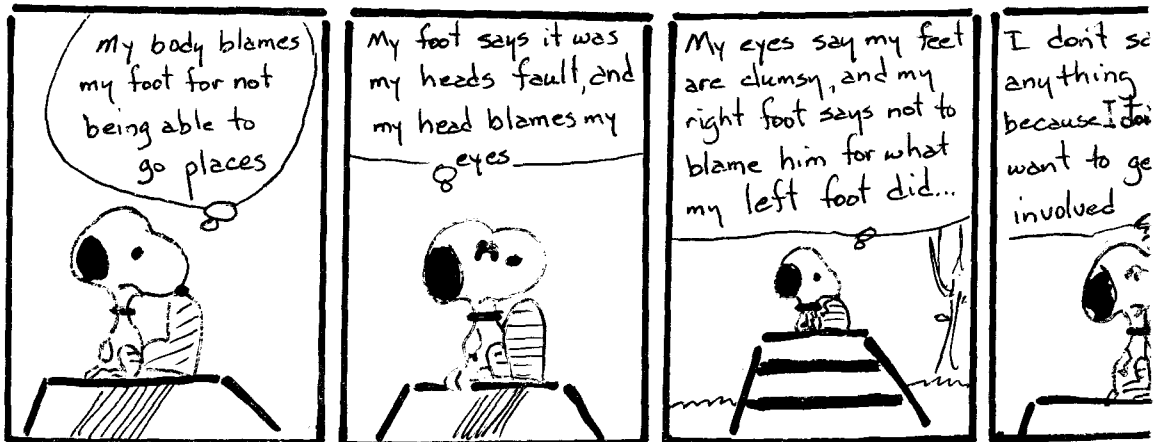

More precious far than earthly gold  
This message we have heard.  
If I could have earth's wealth untold,  
I'd rather have God's Word.  
If all the seas were crystal white  
And the earth a golden ball;  
If all the stars were gems that shine,  
God's Word outshines them all.

"Like the sun breaks through the darkness of the sky, the Word breaks the darkness of our minds."

Judy Womack

"God knows all about me and He still loves me."

Ken Strother

"The heartbeat of the Ministry beats within you as you allow and become aware of the heartbeat of Christ in You."

Rev. Randy Anderson

"People who can't be honest on time will be dishonest on everything else."

Dr. Victor Paul Wierwille

One man awake  
Can awake another.  
The second can waken  
His next door neighbor.  
Three awake can rouse a town  
And turn the whole place  
Upside down.  
And many awake can raise  
Such a fuss  
That it finally awakens  
The rest of us.  
One man up  
With dawn in his eyes  
Multiplies.  
Wake up, America!

WHEN THE PRESSURE IS ON, GIVE!

Rev. Bo Reahard

"THINK!!!"

Rev. Craig Martindale

"The only chance we ever really get to drive ourselves to really fall in love with God's Word--working, playing or anything else--is in the Corps. We've got to learn to become lovers of whatever comes up in life. In the Corps, we have the chance to build a foundation. On the field, we build upon the foundation. If we learn to motivate ourselves by the love of God, we'll be deep people."

Wayne Merrill

"The Way Tree has freedom and flexibility, but enough direction and order to move with unity of purpose and oneness of mind. It encourages individual development. Older members encourage and love the younger; they bring them up for responsibility... Grace is the family; renewed mind is the household... Help those who are weaker. Don't ask them to do anything you wouldn't do yourself... Expect your people to do what you ask them to do... Be an example to your people. Work with and treat them like Christians in your business."

Rev. John Townsend

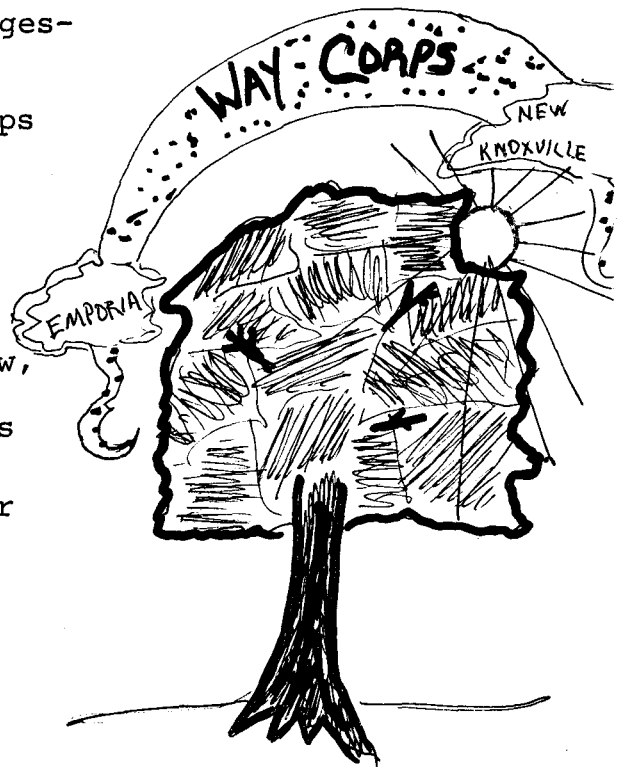

"Christian Etiquette is digestive aerobics."

"Variety makes the Corps sing like a brook."

David Schmitt

"Words are empty, shallow,  
and eyes do weep,  
But the love of God flows  
freely and deep."

Dr. Victor Paul Wierwille

you have first received it to optimum degree and retained  
it to optimum degree."
