

"Perhaps at no time has the destiny of so much been  
put in the hands of the right believing of so few."  
The Way Corps Video

"Here we are, here we are together,  
Having fun in fair or rainy weather.  
God's Word is God's Will, a family  
Are we. We are glad to greet you."

# The Masterpiece of your Life

"The more you stay your mind on God, the more He will paint the masterpiece goal for your life. When you look away, He stops."

Rev. Bo Reahard

"Don't give up on yourself. Let us look ahead to that greatest image of ourselves."

Rev. Gary Curtis

"The first objective to me is just walking in the reality of his presence."

Rev. John Townsend

"Driving yourself is not strain; it's coming to the place where there is no more fear in your life."

Jo Belt

"When you think you can't do it anymore, then do it some more... You never rise beyond the goals you set... We are not observers of times, but we do observe time... God so loved you; therefore, you so love!"

Dr. Victor Paul Wierwille

"When love activates our lives, we do things without being told. Abundance in one man's life should be a supply to other men's needs. That's how the body of Christ works."

Rev. Bo Reahard

"The more abundant life is wrapped up in serving others."

Rev. Craig Martindale

"You must believe that you are called. When God calls you to something, start moving and never look back."

Rev. Brian Heaney

# THE WORD SPEAKS

"It is not possible to learn unless you are taught; just because you are taught doesn't mean you will learn. When you have learned something, it will have changed your behavior...I want to be one of those who either "put up" or "shut up."

Dean Don Wierwille

"We cannot bring the people to the mountain; we must disperse the mountain to the people...All education is absolutely bankrupt without a knowledge of God's matchless Word. We in the Way ministry are concerned about education...You must be together with; then you can be together upon--together with God, then together upon His Word in the Corps."

Dr. Victor Paul Wierwille

"I think throughout the country, in our families, in our schools, the education is too soft..."

God is your private tutor.  
He'll be with you in every class."

Rev. Bo Reahard

"This year, I'm going to get the Corps to do the 12-minute test in 4 minutes to save time!"

Rev. Del Duncan

"Lift up your eyes and look on the fields, for they are green already to harvest."

## The Way Corps

Not ancient walls and ivy mantled towers  
Where dull denominational traditions  
Rule with heavy hand  
Believers' deeply springing powers.

Not fashion or renown  
Or wealthy patronage and rich estate  
No, none of these can crown the Way Corps  
with light  
And make it truly great.

Not spacious pleasure courts  
Or lofty temples of athletic frame  
Where devotees of sports mistake a pastime  
For life's highest game.

But equipped believers, ambassadors  
strong and wise  
Who teach because they love the teacher's  
task  
And find their richest prize  
In eyes that open and in minds that ask.

"It's like the heart. Each cell has its  
own beat; but if the cells join together,  
they take on the same beat and move as  
one. You each came in here doing your  
own beat; but in time, you will move  
with that same heart, which is the Corps."

Rev. Duke Clarke
