

But NOW being made free from sin, and become servants to God, ye have your fruit unto holiness, and the end everlasting life. ROMANS 6:12

VOLUME NO. 2, OCTOBER 1, 1976

EMPORIA

HEARTREAT BULLETIN

"God does not regard the greatness of the work we do, but the love and tenderness with which we do it."

Dr. Victor Paul Wierwille

"We're gonna do it--we're gonna get that Word over this world--it's not just a dream. Our God is able and willing--and if we are also, that's all it will take."

Tom Fremont, Sixth Corps

"God works in those that work."

Rev. Craig Martindale

"Living according to feelings is a fundamental hindrance to God's will."

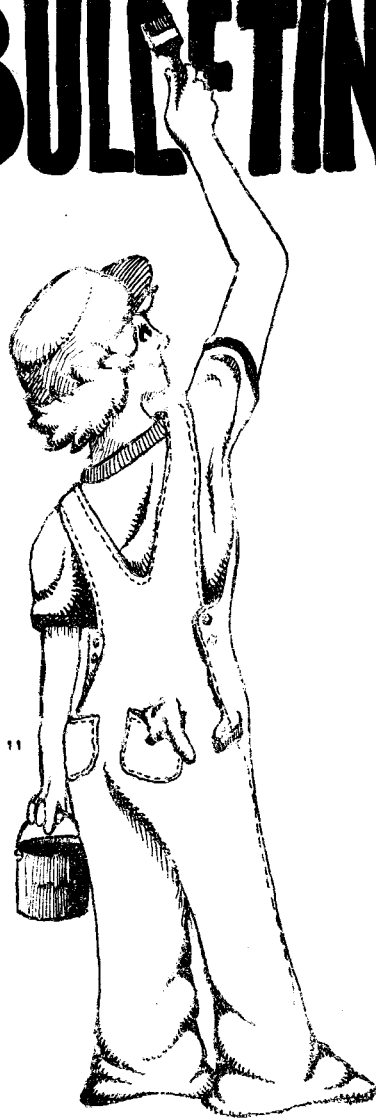

Rev. Stanley Reahard

"When you begin to make sacrifices in your life, that's when you're giving."

Rev. Bo Reahard

"Don't work to believe. Work to build believing."

Rev. Craig Martindale

GREETINGS OF LOVE

"Our example is a stronger inducement for others to serve God than any arguments about God's Word that anyone can propose."

Dr. Victor Paul Wierwille

"When love activates, we do things without being told."

Rev. Bo Reahard

"The love of God is our life, and it activates us. This is why we do what we do . . . Our goal is to see the Word of God in everything we do--to see the face of Christ in every situation."

Rev. Gary Curtis

"You don't really realize how far away you are from people until you start getting close to them with the Word--like the light making manifest the darkness."

Anthony Patch, Fifth Corps

"Man shouldn't contempt himself by doing less than the love of God in the renewed mind in manifestation."

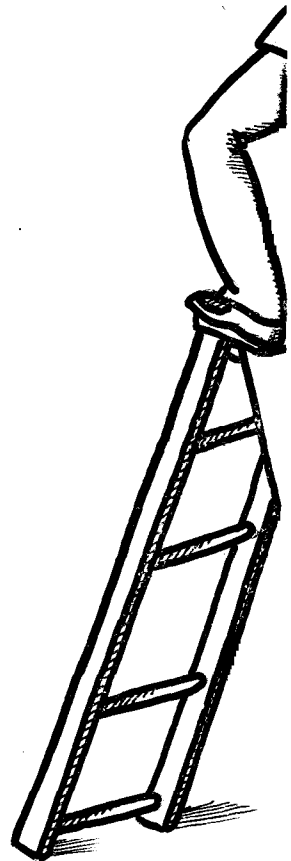

Dr. Victor Paul Wierwille

"There was a man in the land of Uz
If ever, oh ever, a man there was
He doubted and feared
And those sores sure looked weird
So he prayed for his friends and
God gave him the buzz."

Cookie Lofstedt, Seventh Corps

"If you run from fear, it will always catch you"

Rev. Craig Martindale

♥ ON ♥ OUR 34TH

"Any time we set in our mind a law or standard that we force ourselves to follow, we either bring to ourselves condemnation and frustration because we fall short, or we bring to ourselves pride through self-justification. We must continually remind ourselves that we live and move in grace."

Rev. Gary Curtis

"Our fight is between mental assent and true believing . . . Every true renewing of the mind results in the holding forth of the Word. Up to that point, it's still only mental assent."

Rev. Craig Martindale

"The reason you sit and die is because you don't love people. Loving people means to do things for them."

Dr. Victor Paul Wierwille

"The right dividing of the Word is not just sitting down and fitting the Word together; it's the whole renewed-mind walk of receive-retain-release."

Rev. Craig Martindale

"We take the place of the absent Christ and God doesn't send any second-rate substitutes. When people look into your eyes, it should be as though they were looking into the eyes of Christ."

Rev. Bo Reahard

"If a believer doesn't live up to his responsibility, someone else in the body has to compensate."

Rev. Craig Martindale

COUNSEL

from two FATHERS

"I am disposed at every suitable opportunity to acknowledge publicly our infinite obligations to the Supreme Ruler of the Universe for rescuing our country from the brink of destruction; I cannot fail at this time to ascribe all the honor of our late successes to the same glorious Being."

George Washington

"The future of America depends not so much upon how many Americans hear the accuracy of God's Word, but upon whether or not those who hear rise up to walk in the greatness of what the captain of their salvation accomplished for them."

Dr. Victor Paul Wierwille

"The establishment of civil and religious liberty was the motive which induced me to the field; the object is obtained, and it now remains to be my earnest wish and prayer that the citizens of the United States would make a wise and virtuous use of the blessings placed before them."

George Washington

"If our country is to endure and prosper, God's people must learn to live with God's ability so that His Word prevails and becomes the American way of life. This is what I call 'living in vital union with Jesus Christ' and this is what will bless America."

Dr. Victor Paul Wierwille
