"We face the most difficult situations with an absolute sense of superiority!"

Dr. Victor Paul Wierwille

"In any fight, you're going to get hit; but your strength is greater than any punch thrown. We learn to roll with them."

Rev. Craig Martindale

This is the previous quote that Rev. Martindale was trying to remember at one of the meals:

"A great key to leadership must be the ability to pull one's foot out of one's mouth, with diminishing pain and no after taste, by immediately chowing down on a morsel of victory."

Rev. Craig Martindale

"That's what the Way Tree is all about: that we may move in unity of purpose to the extent that all the family gets blessed...Whatever we do, we never do it at the expense of our people.

Jesus Christ did not always understand everything he said. He just stood faithful to the Word.

When Paul taught, he didn't have the Word we have today. How did the people know he was speaking for God?--because God followed up his words with signs, miracles and wonders."

Rev. John Townsend

"Paul was remarkably physically fit to have made all the journeys. He had great physical and mental stamina."

Rev. Lonnell Johnson

KEEP PUSHING

"Keep pushing! 'tis wiser than sitting aside,  
And sighing and watching and waiting the tide;  
In life's earnest battle they only prevail,  
Who daily march onward and never say fail."

"What counts is not the number of hours you put  
in, but how much you put in the hours."

ON RETEMORIES:

"One a day keeps the Devil away.  
Resist the "D" and he will flee.  
Don't stew; just renew."

Rev. Craig Martindale

"There are men with words of flowery phrase  
And promises filled with excitement.  
They talk your eyes into the starry night  
And sail your heart away on the clouds.

And you wait for the day to see  
Those promises come into concretion.  
But the days go by and so do their lies  
Without any fruition.

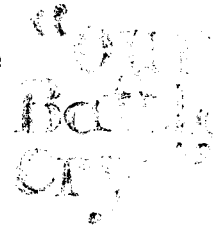

Give me a man who means what he says  
And his sayings they are action.  
He alone will have my trust and respectful devotion.  
For with me one deed done is worth more  
Than a million words polished with emotion."

Never

Fail

"People get delivered here even more than the mail does!"  
Rev. Craig Martindale

"He who falls in love with himself will have no rivals."  
Ben Franklin

"The world is full of willing people; some willing to  
work, the rest willing to let them." Robert Frost

"One reason why a dog is such a lovable creature is  
that his tail wags instead of his tongue." Anonymous
