

HEARTBEAT

"John 10:29 'My Father, which gave them me, is greater than all; and no man is able to pluck them out of the hand of my Father.'

"It's an encircling figure of speech, beginning and ending with 'My Father.' This emphasizes the truth that we are completely surrounded by God's hands, and the truth is established in Romans 8:35-39."

Ken Petty, Sixth Corps

"We are like diamonds. We take the pure light of God's Word and refract it."

Franklin Smith, Fifth Corps

"Somebody is going to be controlling your mind; it better be you."

Dean Don Wierwille

"If you can discipline your mind to speak in tongues more and more each day, you can discipline yourself to do whatever God asks of you. Speaking in tongues is a self-defining process; you're always learning more about who you are."

Rev. Gary Curtis

WORD AT WORK

"We have to strive for a stride in the Corps. We need to believe that everything is of God in the Corps, and it gives you that ability to handle many things. Handle at least five more things than you think you can, and get rid of that 'grin and bear it' attitude. I've learned to do what I call mental juggling--you handle one thing at a time, letting the next thing fall into place right on time."

Tom Reahard

"This Figures of Speech class is another Ephesians 3:20 experience. I feel as if I can now hear the inflections of God's voice as He speaks to us through His Word."

Monty Pelto, Seventh Corps

"Jesus Christ was the master of all life; no one used figures of speech the way he did."

Tom Reahard

"The greatest thing about eastern men is that their minds are steeled and their words are salted."

Harry Cox, Sixth Corps

"The Way College of Emporia is truly unique. It's the only school I know of where you get college credit for running in the dark and walking in the light."

Rev. Bo Reahard and
Anne De Nenzo, Seventh Corps

LEADERSHIP *in*

"The future of America is in our hands!"
Tom Jenkinson

"We can not expect the God of Truth to be with us if we neglect the truth of God."

Gail Winegarner

Thought

"Why would there be leaders if the people didn't need them? God has chosen us to lead His people up."

Rev. L. Craig Martindale

"You have to make your mind positive. God works in you; give Him some positives to work with."

Franklin Smith, Fifth Corps

"I'd rather make mistakes, and live, than make the mistake of not living."

Becki Belcher, Fifth Corps

A WOMAN OF GOD

'A woman is a creature of exquisite beauty.
Words are inadequate to express
What God has done for a man by the creation of
Loveliness we call a woman.
Her touch is soft and tender, yet at her strength I
Stand in awe.
Her eyes are always bright and shining with all love,
And yet, there is that twinkle that makes me think,
'Is there more?'
Oh, the beauty of a woman of God who lets Christ live
Within her!
When a man of God like me wonders,
'What is it that I lack?',
I turn and behold her smiling face and sigh with
Childish relief
'Nothing now!' For God has met my every need,
Right down to that little tingle I feel
As upon a woman I gaze.
Oh, woman of God, how exciting you are!
You are like a mountain stream in summer
Where the wilderness creatures play, fresh and clear,
Abounding with all life!
Ah yes, a taste of that mountain spring water
That plays a song on my tongue
And a breath of that sweet mountain air
With its fragrance laced with pine
Does not compare to the refreshing you give
By simply being there.
You are a woman. I love you."
