You Are God's Heart-Throb

"The only way you are able to help people is to see their problems but yet see them in light of the great love, believing and confidence we have for them"

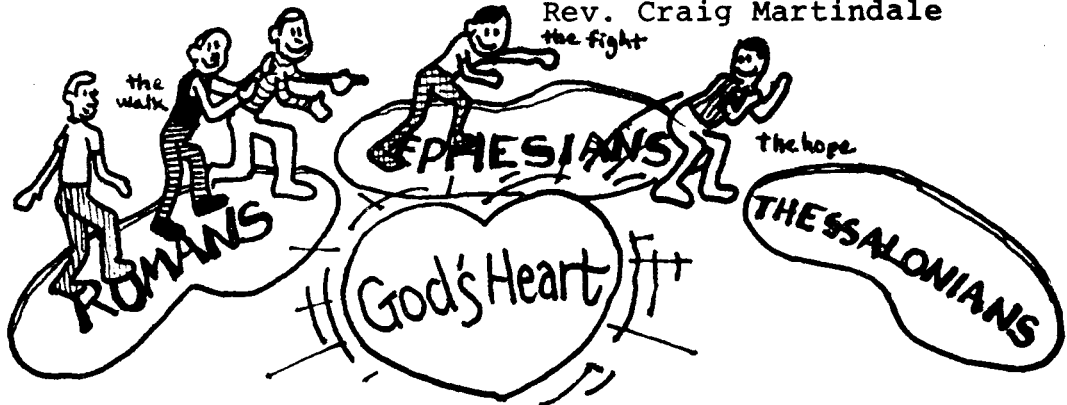

Rev. Craig Martindale

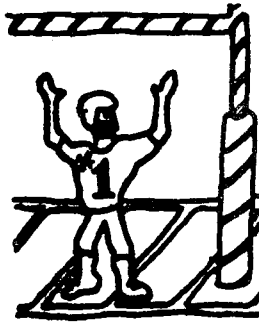

"The only time of no condemnation is when you become a doulos."

Rev. Gerald Wrenn

"The church epistles show God's heart yearnings for us... the details of His divine desire to dominate by His doctrine the daily destiny of His delicate yet demanding doulos...man, the believer!!"

Rev. Craig Martindale

Each Reach to Teach

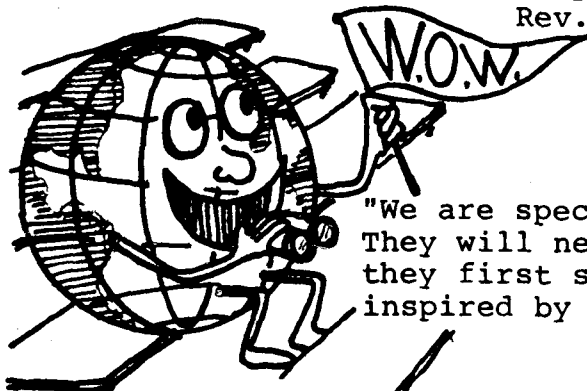

"You never sacrifice people for a goal."
Rev. John Townsend

"The blessing to the ministry as a whole as far as outreach is always secondary. First is what will bless that individual the most. Keep it straight or we're really not loving people the way God sent us to love them."
Rev. Craig Martindale

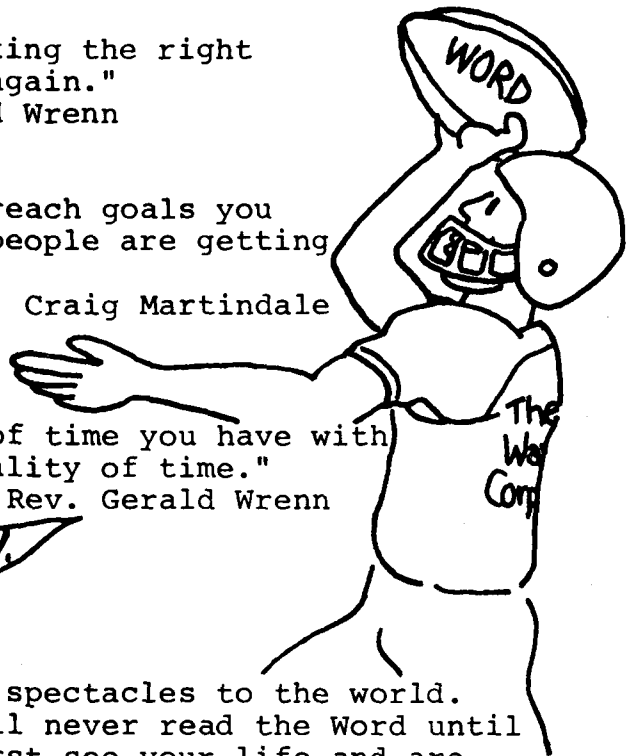

"Character is made by making the right decisions over and over again."
Rev. Gerald Wrenn

"You can set all the outreach goals you want. . . but make sure people are getting blessed."
Rev. Craig Martindale

"It is never the length of time you have with people but rather the quality of time."
Rev. Gerald Wrenn

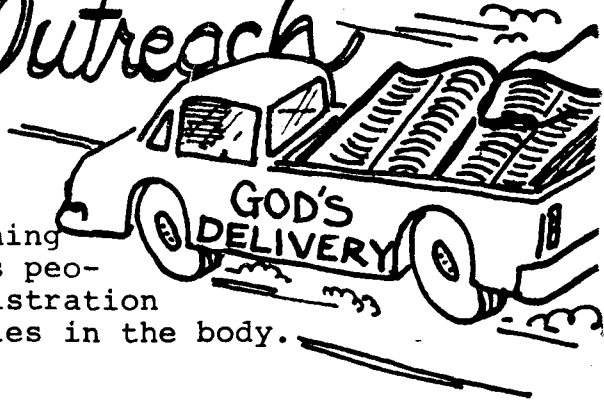

"We are spectacles to the world. They will never read the Word until they first see your life and are inspired by it."
Donna Martindale

--That's Outreach

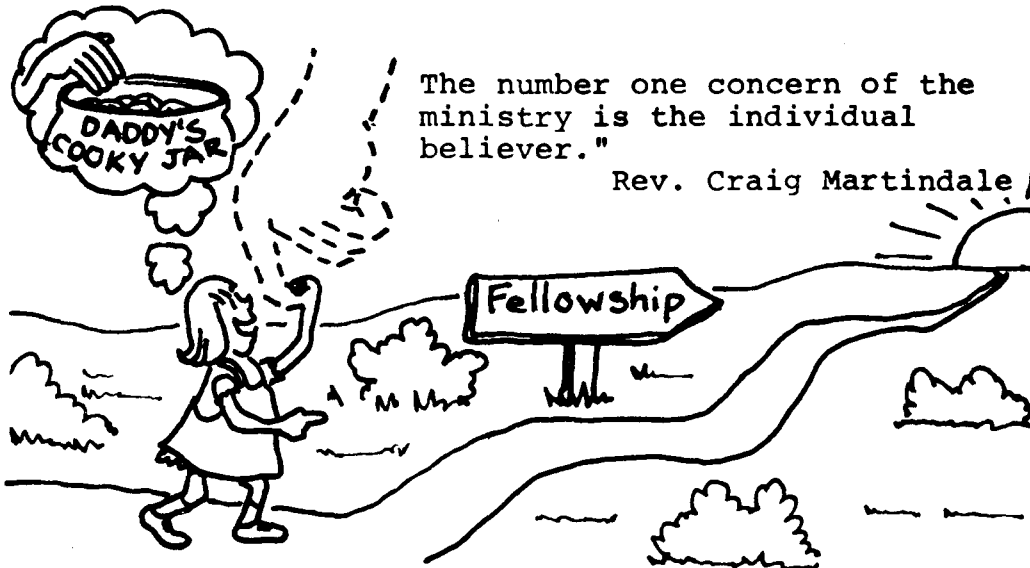

"God will stop at nothing to get the Word to His people and in this administration it is via the ministries in the body.

Maybe I'll get tired of renewing my mind someday for my sake, but I'll never for your sake.

The spirit dominates the reason, that's fellowship.

What is the believers' basic need? . . . walk in fellowship. That is always their basic need.

Adrenalin

"You move first then God can move, that's the message we declare to people."

Rev. Craig Martindale

"What you do in a crisis situation is determined by what you do day by day."

Rev. Gerald Wrenn

"Condemnation and pride... two errors that hurt the mystery."

Part of being faithful is not being condemned."
Donna Martindale

"Responsibility is your response to the ability God has given you."

Rev. Gerald Wrenn

"If I die, I'm going to die committed; if I live tomorrow, I'll live committed. I'm not going to get the two mixed up. While I'm alive, I'm going to stand; when I'm dead, I'll lie down; between now and then, I'm going to keep the two straight. That's the way we must live on the Word."

Rev. Doug Mc Mullan
