Collected Issues:  
October 1954 – August/September 1957

# Preface

This collection contains issues of The Way Magazine from October 1954 through August/September 1957. The collection is intended to provide a glimpse into some of the early years of Dr. Wierwille's ministry. These issues chronicle Dr. Wierwille's trip to Europe, India and the Bible Lands, among other things.

The Way Magazine was published from 1954 to 1957. During Dr. Wierwille's trip to Europe, India and the Bible Lands in 1955 and 1956, a newsletter entitled "The Way News Letter" was printed in lieu of The Way Magazine. All known issues of The Way Magazine and The Way News Letter from the period 1954 to 1957 are included in this collection. Publication of The Way Magazine was suspended from late 1957 until April 1962.

A list of issues included in this collection and two article indexes follow this preface. The first index is ordered by the author's name and article title. The second index is ordered by article title. Omitted from the indexes are most letters, poems, epigrams, announcements, price lists, advertisements, scripture quotes, event information, and some of the regular columns as noted below. A few letters of special importance are included in the indexes.

Articles with no specified author are listed in the indexes under "Author Unknown." Although Dr. Wierwille was the magazine's Editor-in-Chief,

no assumptions have been made regarding the authorship of these articles. Articles without a title are listed using the article's topic printed in *italics*. To assist the reader in locating issues and articles, the issue date has been printed on each page of this collection.

Dr. Wierwille's primary articles are contained in the column "The Word Speaks!" These articles are each listed by their individual titles. Bishop K. C. Pillai wrote a column on Orientalisms called "Light Through an Eastern Window!" Bishop Pillai's articles are also listed in the indexes by their individual titles.

The "Sharing" column consists primarily of letters from believers. The "Bulletin Board" column is primarily a calendar of events. These columns are not listed in the indexes.

In these pages, Dr. Wierwille's faithful stand on God's Word, as he understood it, is clearly evident. The reader should note that with continued study, many teachings contained in these issues were later changed to include added light. One example of this is the birth of Jesus and the events surrounding it. Articles in this area were later superceded by other teachings and by Dr. Wierwille's book Jesus Christ Our Promised Seed. It remains the reader's responsibility to study and rightly divide God's Word.
