News Letter

Dr. and Mrs. Victor Paul Wierwille and John Paul, Mary, Karen and Donald. Taken Night of Home Coming celebration by Congregation in Van Wert, April 28th.

Dear Friends of The Way International:

Greetings, to all of you at home and across the world, in the Name which is above every Name, Jesus Christ.

To us the last eight months seem almost like a dream, visiting and ministering to people over the World and being privileged to again return to our beloved Van Wert.

Many of our Church people and Way friends were gathered at the parsonage to receive us upon our arrival home. The Congregation held a great fellowship dinner and a reception in our behalf on the evening of April 28th. What Christian joy we had!

Dr. Victor Paul, Dr. Ernest Fledderjohn, supply pastor during the Wierwille's World Tour; Miss Bertha Scheidt, Missionary, daughter of the Van Wert Congregation, in Honduras, Central America on furlough, and Dorothea.

Since that time we have been trying to get settled again which means getting some household furnishings, etc. We are doing it just as quickly as the Lord makes it possible.

During May and June I will have made several trips out of Van Wert in behalf of The Way ministry, meeting old friends and making new ones. To give you just a little idea the following program is scheduled at the time of this writing:

Thursday, May 17th, Columbus Branch of The Way and May 18th, Dayton, Ohio. Sunday, May 20th, Confirmation of our young people including our own daughter Karen and dedication in Baptism in Van Wert, Ohio. Sunday Evening the first report of our World Tour. May 24, Northwest Ohio Synod Meeting of the Evangelical and Reformed Church in Toledo, Ohio. May 27th, Afternoon, I will fly to Louisville, Kentucky for an evening service with Rev. W. H. Cauble in The Church of the Open Door. May 29, with Rev. Don Wells at Chattanooga, Tennessee and May 30th at the graduation exercises of Bob Jones University, Greenville, South Carolina. June 4, 5, leaders from distant places are coming to Van Wert for the discussion and decision on The Way Bible College. June 10, Yearly Meeting of The Way Board of Directors. June 23rd, Meeting with the Chicago Branch of The Way.

Many other appointments have been coming in and we are responding to as many as possible, however, we must allow July and August for getting out in printed form our World Tour and its significance and for other urgent matters which God is bringing across our paths.

As a supporter of this vital Way ministry, World-wide, we will of course continue to keep you posted even more specifically than I can do in this News letter, but I can say that certain business men in Florida as well as business men of The Way Fellowship are in conference regarding the establishment of the first permanent Branch of The Way, with buildings and grounds for the Southeastern United States. God is so rapidly opening doors of greater service and we walk in as the believers in The Way deliverance ministry stand by us in faith believing.

Our son Don has a great message with appropriate colored slides of our World Tour for teen-agers in your Church, school or community. He will be glad to share if you will open the way.

Mrs. Wierwille will be available with The Way message of our World Tour in color for Church groups, civic groups of women and any adult mixed groups you might care to arrange. She can tell many things which can not all be given in writing.

God in His mercy and grace has opened every land to The Way ministry where we traveled. We will work hard and do all we can, and I believe that God has given us friends like you who will be blessed abundantly as you sacrificially stand by us to help us do together what no one alone can do. Let's give the World an opportunity to hear about Jesus Christ as our complete Savior, and Deliverer.

Sincerely,
In His Service,
Victor Paul Wierwille

Mr. Ronald Hooley and Dr. Victor Paul W. in Macclesfield, England. Mr. Hooley is a prominent Christian business man heading up THE WAY Branch in England. Under his leadership and in cooperation with others three Way Twigs have sprouted and others are forth-coming.

The followers of The Way realize the great importance attached to the proper presentation of The Bible as it interprets itself showing Jesus Christ as our complete Redeemer. He is our deliverer from sin and all the consequences of sin. As this great truth takes hold of the hearts of believers the power of God will again be seen in manifestation.

As fellow workers of THE WAY, we want to again extend our best wishes and sincere appreciation to you for your wonderful support of this ministry, both spiritually and materially. As Dr. Wierwille has told you in this newsletter, there is much ahead for The Way ministry and we know you will want to continue to be a part of this great work. We will keep you informed concerning the future activities and development of The Way, and we would like for you to keep believing with us that our work together will continue to bring deliverance to people all over the world and that God will be glorified.

Dr. Wierwille will be anxious and happy to see you all, his wonderful friends, and you will find a welcome and blessing in the services at his church in Van Wert, Ohio.

Sincerely,
The President of the Board of Directors
The Way, Inc. International
