Ernst Wierwille

June 21, 1956 my wonderful father, Ernst Wierwille, suddenly said goodbye to this world to await our joining with him in the resurrection, at the return of our Lord with his saints.

A dauntless and fearless man of God, he witnessed to many about the Power for Abundant Living. I had the joy a number of years ago to personally lead him into the fullness of the Power from on High. His believing faith, his love for me and this ministry, as well as his help through the years, has been one of the most outstanding things that could happen. Without him and his help I would never have had this ministry to share with others.

My father was a life-long member of the First Evangelical and Reformed Church, New Knox-

ville, Ohio. In a special resolution the following was sent to me signed by the Necrology committee, Oliver Hoevalth, Ben Hoelscher, and Edward Lageman.

"Our departed brother was a loyal member of our Men's Association and a devout and active member of our Congregation and took an active part in their various activities. As a citizen of our community he was highly respected by a large circle of friends. His fidelity as a husband and father was expressed in loving devotion to his bereaved widow and children; and

"Whereas we as members of our Men's Association through his demise, deeply mourn the loss we have sustained:

"Therefore be it resolved that as a memorial tribute in memory of our departed brother, we extend to his bereaved widow and children our profound sympathy, and that this resolution be embodied in the minutes of this meeting and a copy of this resolution be sent to the bereaved family."

Memorial gifts amounting to hundreds of dollars have been received for the bringing of a foreign student to America to be trained in the Way Bible Center. May God in his mercy and grace give us more men like my father to help in making known the greatness of our deliverance in Christ Jesus.

Miraculous restoration of health. I wonder if you remember the sickly and under-nourished child with a sickly-looking mother for whom you had prayed in Bombay at St. Paul's. The child has since been quite well and improving in health. The mother met Joan, the other day, and she asked her to thank you for having prayed for the restoration of her child's health. She had little hope of her sickly child living but she is now, happy and has a strong faith in the efficacy of the prayers of the men of God with a believing faith. Praise the Lord! Like thousands of our children in India, this child too, is not getting proper nourishment, but in spite of that he has not fallen ill, since you prayed for him.

Dear V. P.

I love you so very much and what I derived from you and your teaching was the grandest thing ever. I adore Dorothea.

Dr. E. E. Higgins

THE RESOLUTION: The following resolution was unanimously passed at the last meeting of the Executive Council of the All-India Federation of National Churches regarding your special and spiritual mission to India:-

"This meeting of the Executive Council of the All-India Federation of National Churches expresses its deepest thanks to Dr. V. P. Wierwille, its Inter-national Representative, for creating goodwill for the Indian National Church throughout the World, and particularly for his spiritual ministry in India, from November 1955 to February 1956.

We fervently hope that Dr. Wierwille will kindly continue to strengthen the Indian National Church Movement far and wide.

We also take this opportunity of expressing our satisfaction on Dr. Wierwille's report on the Indian Church Situation which, in our opinion, is nothing but truth, and truth alone. The truth, as expounded therein, has never been declared so fearlessly and accurately in our memory. We admire Dr. Wierwille for his courage of

conviction and frankness exhibited in framing this report which is truly factual, exhaustive and informative.

In the opinion of this council India has been greatly honoured by Dr. Wierwille's evaluation of the merits of our leader (Dr. Williams) in the introduction of this report. We greatly appreciate and fully associate ourselves with the sentiments of love and regards expressed therein."

Dear Rev. Wierwille:

Your articles have meant so much to me. While I am a Christian I realize by your writings that you have what I need. Do you have any books that I might purchase? I have only met you through the Christian Life magazine and when it comes in I look for your name first.

Please pray that He will show me clearly what He wants me to do and give me the grace that it will take to do it. I don't want to fail any more.

Yours very truly,
Mrs. F.W.R.

Dear V.P.:

I do believe that at last I understand what you have been teaching us for some time now.

I have learned that the Holy Spirit gives us gifts just like

Jesus gives us life eternal and all I have to do is to accept by faith and believe He will give me all those gifts in I Corinthians 12.

I feel that for the first time since I was saved that I am really climbing up the "Faith" ladder in Jesus' name. I feel as if I am on top for God.

I am so happy today that I just can't help but write to you and tell you about what the Spirit of God has done for me. But I also see and realize that if I don't have love for other souls these spiritual gifts will do me no good. Oh, I want to go deeper and deeper with the Holy Spirit and honor Jesus' name and give praise to the Holy Spirit also for what He has and will do for me.

Thank you for helping me to understand God's will better. May God keep on blessing you each day.

Sincerely,
B.J.

Thank you for your kindness in teaching the "southside class" in Chicago, even though it was only a few.

Dr. E. E. Higgins, a renowned Osteopathic Physician, but above all a valiant "soldier of the cross," and an intimate friend, companion and associate of many of the followers of The Way International, has made her last earthly contribution in her own inimitable way. On Tuesday night August 7 at 11:35 P.M. she passed from this life and joined with those who await the resurrection and return of our beloved Lord and Savior Jesus Christ.

Words seem so futile in describing a life which meant so much to me. Her faithfulness to me and her trust in me and in this ministry will never be fully known until the "great book" is opened by THE MASTER Himself. All I can write and say is: who will God in his mercy and grace give unto me and to this ministry to replace such an one as my esteemed friend and colaborer, Higgy?

The memorial gifts by the Board of Directors of The Way

International, of which she was a member, amounting to \$50.00, as well as a gift of \$25.00 by Mrs. Wierwille and myself, have been designated to bring a foreign student to America for full training under The Way Bible Center. If you knew her and her work and love meant something lasting to you, you are invited to join in this memorial fund as our lasting tribute and investment in the life of another to carry on.

Joy Luidens of the Chicago Branch of The Way, in her letter to me stated: "We all feel that we have lost a wonderful and valiant friend, but are so glad she is at HOME with the blessed. She laid up NOTHING where moth and rust doth corrupt—but oh my, the treasures in heaven!"
