THE WORD MOVES ON...

"The testimony of a man's life continues on after their death, because the things they've taught are passed on."

"Uncle Harry was a pioneer on the Word with Dr. Wierwille, the pillars of the 20th Century Church."

Rev. Vince Finnegan

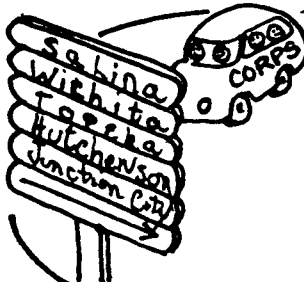

"I will not rest till every man has the chance to hear the accuracy of God's Word."

Dr. Victor Paul Wierwille

"God has called us to live life and to hold forth the same Word that gave us life, to others."

Rev. Vince Finnegan

Yeh! We're off to witness for a whole day!

"If you are committed to the Word, you have to be committed to Dr. Wierwille and the ministry."

Rev. Gerald Wrenn

We've been called to the more abundant life eternally now and forever!

CALLED TO LIFE

"This year, more than ever before, we need to open our mouths; use our tongues; and hold forth the words of life."

GLORY ROAD

Rev. Robert Wilkinson

"Jesus Christ never won the award for man of the year from the world, but he won the reward of eternity from God."

Rev. Earl Burton

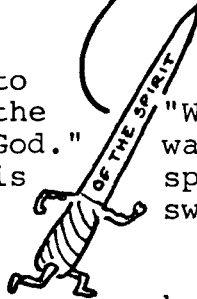

"Who you are is your place in the body. What you do is your job in the ministry."

Rev. Linda Mac Duffie

"The sword we have to wage the battle is the Word--the words of God."

Rev. Gary Curtis

"We are in a spiritual warfare. We have a spiritual armament; the sword of the Spirit."

Rev. Gary Curtis

"The Word has to become our habit pattern in actions."

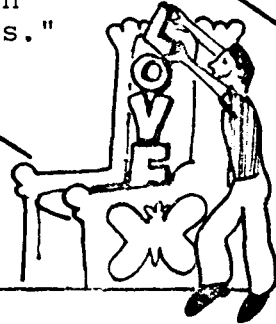

Rev. Gerald Wrenn

"Love must be enthroned in our lives in manifestation, it must govern our lives."

Dr. Victor Paul Wierwille

Rev. Gerald Wrenn

THE HEART OF LEADERSHIP

The heart of a leader...

is the heart of God revealed.

"1 Timothy 4:1&ff covers just about all the basic principles a leader needs to build into his life."

"We have to be honest with God, ourself, and others in the household."

Rev. Gerald Wrenn

"The heart of a true leader is that of a servant. When I think of leading God's people, I think of serving them, and then the 'hows' of leading become simple and clear."

Diane Singer Eighth Corps

"When a person is sick, then love them. When a person is well, that is the time to teach healing."

Sue Wrenn

"Why is the First Corps so tight? We believed that Dr. Wierwille was the man of God and that the Corps would teach us to know how to move God's Word over the world."

Nancy Burton

"Everything the First Corps was, the Sixth and Eighth Corps has to be on the Twig level."

"If you're going to make it a successful year, it will have to start at the Twig level."

Rev. Gerald Wrenn

"To be the greatest leader, you've got to be the greatest servant. To be the greatest servant, you've got to be the greatest giver."

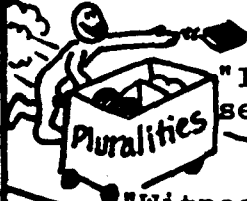

Rev. Vince Finnegan

THE WAY OF LIVING AND GIVING

"Most people are selfish, just thinking of themselves; but giving is in all phases: time and money. You have to help someone else to pull yourself out."

H. E. Wierwille

"If we want the Word to live, we've got to sell out to giving."

Rev. Vince Finnegan

"Witnessing is an art--you can become an artist for God."

Charles Henry Rix

"Give one seed... and you get back a whole watermelon full of seed."

"In this year of outreach, we desire to build the want equal to the need of God's Word."

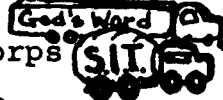

Charles Henry Rix

A Believer's Way of Living is Giving

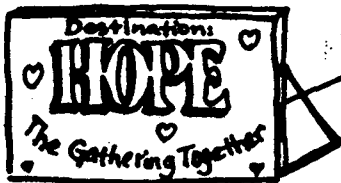

"Speaking in tongues is the only thing that can make you bold enough to speak the Word."

Russ Chandler Sixth Corps

"In an area where speaking in tongues with interpretation and prophecy are off, people will start getting 'revelation' that's off also."

Rev. Earl Burton

"The attitude in which we give is with cheerfulness and great joy, because we love to bless God by blessing others."

"Jesus Christ was the greatest giver and liver."

Rev. Vince Finnegan
