*"Accuracy"*

"You can't discipline yourself enough on accuracy in the Corps."

Dr. V. P. Wierwille

"If you hesitate, someone else will have to go hungry one more day without hearing the Word. You tell me your walk is between you and God. Chapter and verse! I'm responsible to you and you're responsible to me."

Rev. L. Craig Martindale

"Everything the world says about love is wrong. Love is thinking the Word of someone and acting accordingly-- which is giving. You cannot lose when you're giving."

Rev. John Lynn

"The crux of Christianity is heart. You're worth something to God. God's business is you."

Franklin Smith, Fifth Corps

"Life is for the believer. Unbelievers are a mutation of the human race. The Adversary has so tricked the world, that the unbeliever lifestyle is the norm. God never meant for people to live that way."

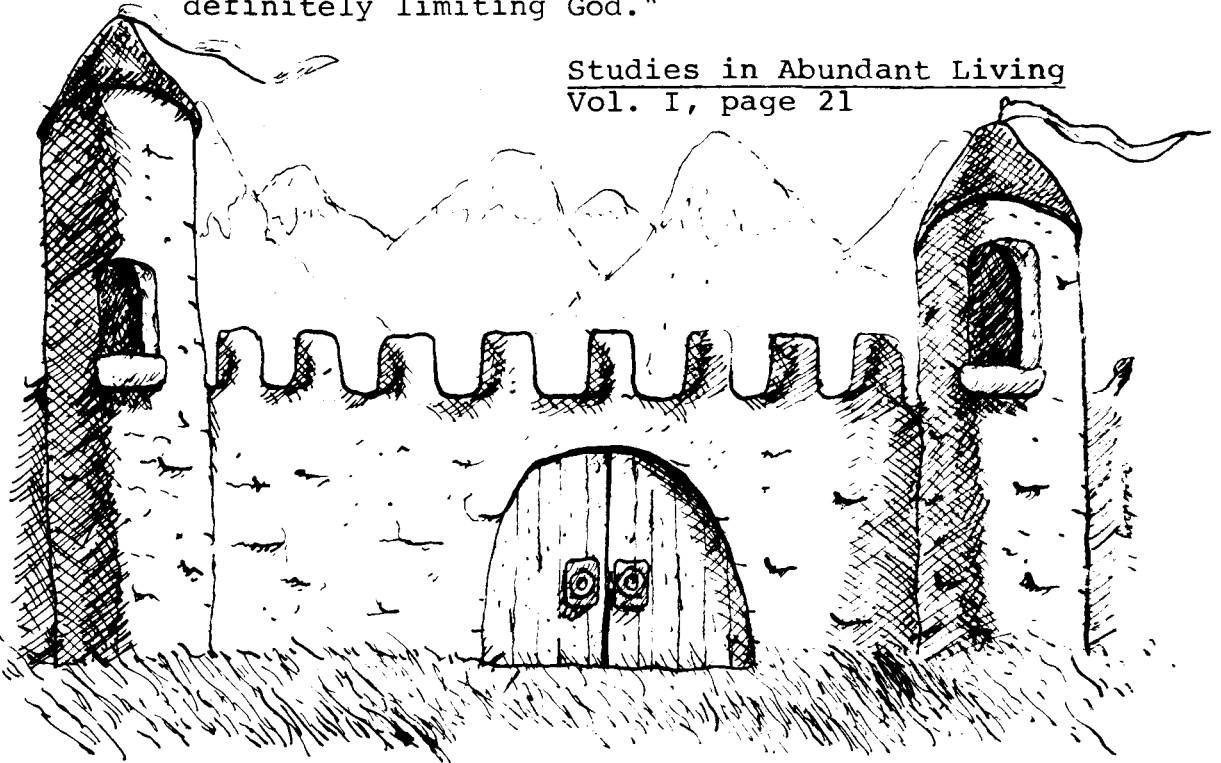

Rev. L. Craig Martindale

"God laid a solid foundation stone  
In a flash of time in a hidden place  
And unveiled a secret, He alone had known,  
Of a building plan for a house of grace.  
Paul was sent to herald the call  
To sound forth words resounding peace,  
Words of the broken partition wall  
Where man's separation from God could cease;  
And a household of sons began to grow  
From the ruins of a people lost in the night  
A dwelling place where God could show  
His riches of glory in clear shining light.  
Truth upon truth, and grace piled on grace,  
We stand to our savior, face to face."

Ken La Prade, Seventh Corps

"Unless we know that name of Jesus Christ as a  
vital living reality in our lives, we are most  
definitely limiting God."

By all the means you can,

At all the times you can,  
To all the people you can,  
As long as ever you can."
