

"Leadership is not personality; leadership is not a position; leadership is not endowed to a certain few. Leadership is a life-time commitment."

BULLETIN...

APRIL 26 1977-P.

"Staying on top of something often means that we are just reacting to circumstances. What we want to do is stay ahead."
Paul Brautigam, Fifth Corps

"The difference between the right word and almost the right word is the difference between lightning and the lightning bug."
Mark Twain

"Remain doggedly flexible...Those who gossip to you will also gossip about you...The greatest mistakes in our Twigs today are that we're not ministering and we're not taking abundant sharing.

"Your Twig has got to be alive. Why should I come read the Bible and pray in your living room when I can do it in my own? You have to be alive and lead those people.

"You know, one day we'll be going up through those stars, but while we're still here on earth, work your tail off and enjoy it.

"You have got to try God, then you'll know He works. And when you have proved Him, you'll never let anyone talk you out of it."
Howard Allen

LEADERSHIP in Thought.

"Practice believing to bring material abundance to you and the ministry." Corps Objective No. 4

"The manifestation of believing is your operation of the God-given ability whereby you may believe to bring to pass the impossible at your command according to what God has revealed to you by Word of Knowledge, Word of Wisdom and Discerning of Spirits. It also inspires believing in others."

Advanced Class Syllabus (page 26)

"A person never has to leave the Way Corps because of finances; he simply quits believing."

Rev. L. Craig Martindale

I Cor. 12:9

"To another (heteros) faith by the same spirit;"
It's between you and God.

Way Corps Objective No. 4 is learned by a three-year tenure practicing the manifestation of believing by sponsorship. God said the Way Corps is available. How do you receive?

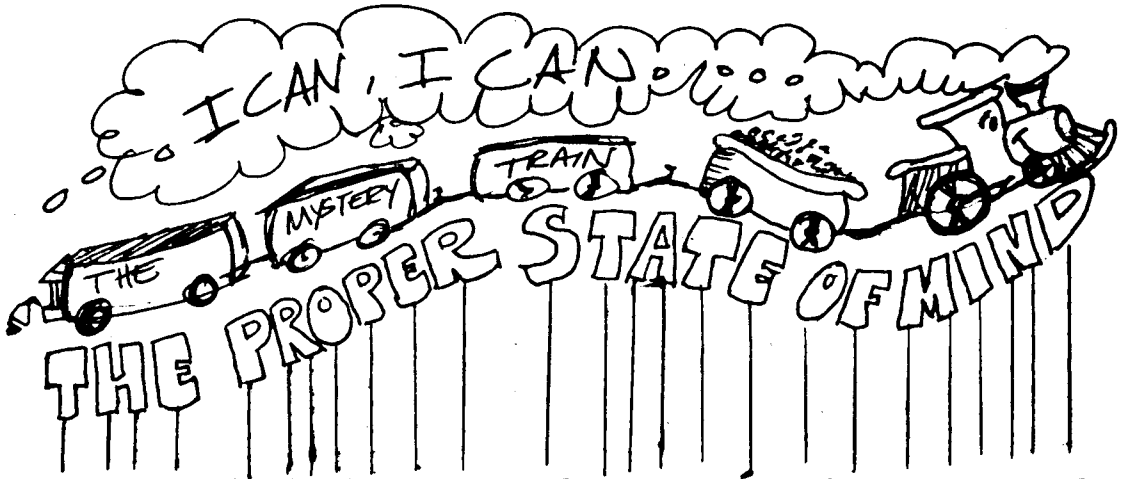

Elijah had a lengthy three-year challenge. I'll bet you sometimes his skies were gray.

Manifest believing! Doubt not; only believe!

FROM ANDERSON LIBRARY:

A synopsis of the number of times Scriptures are referred to in each book of the Bible in the Scripture Index is now in the blue binder in the reference room.

The synopsis provides a scope of what books of the Bible are used most frequently in the Way publications.

"When you discipline yourself to do the things that need to be done, you will have time to do the things that you want to do."
Franklin Smith, Fifth Corps

If you can think you can, you can
If you think you dare not, you don't
If you think you would like to win, but think you can't
It's almost a cinch you won't...
But in this world you find
Success begins with a person's will
It's all in the State of Mind.

For many a race is lost, before the first step is run
And many a person falls before his work is begun
Think big and your deeds will grow
Think small and you'll fall behind
Think you can, and you will
It's all in the "State of Mind."

If you think you're outclassed, you are
You've got to think high to rise
You've got to be sure of yourself
Before you can win a prize...
Life's battles don't always go
To the stronger or faster man
But sooner or later, the person who wins
Is the person who thinks he can.
