The family is only as sweet as we are sweet on one another. And we just want to stay sweet, right?

Dr. Victor Paul Wierwille

Wherever the Word lives, there will be music. There will be someone singing a song.

Rev. Bo Reahard

The Ministry on live TV is a great blessing. It's the Word in culture. You can't get more into our culture than to be on TV. If we keep doing it, we'll change it from "the idiot box" to "the edify box."

Kini Kay, Way College

The Word At Work

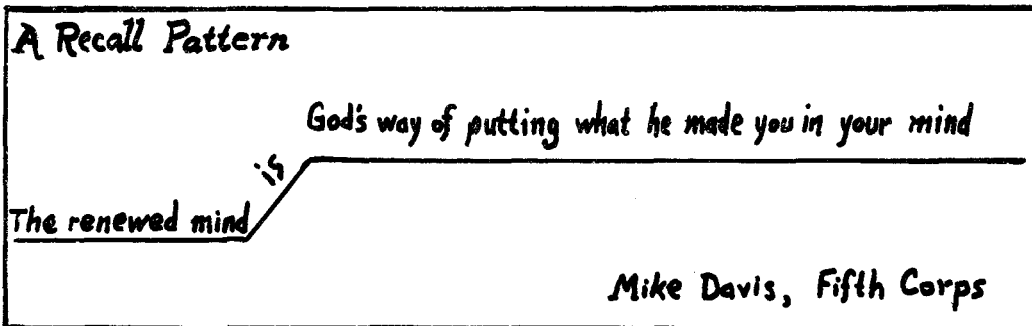

"You ought to be believing God for a big heart."

Dr. Victor Paul Wierwille

"All it takes for the Word to rise is one meek heart."

Rev. Craig Martindale

"We, as the Way Corps, especially are called to guard the knowledge of the Word that we have...and the way to guard it is to do it." Donnie Fugit, Fifth Corps

"Every second of my life, if it's not contributing to my ability as a leader, it's stealing. That's Ephesians 4:28."

Rev. Craig Martindale

"Truth can always be found in history....We can see how God worked in politics, economics and social affairs to bring about the United States."

Tom Jenkinson, Sixth Corps

"Being honest with the household is perceiving and immediately acting upon the God in Christ in us: Perceiving and immediately acting upon the God in Christ in us in every thought imagined, every word uttered, every action manifested and every situation perceived in every moment of our moment-by-moment walk.

Sue Miller, Fifth Corps

Leadership In Thought

"We can make of life one big Twig. We can treat each person just as we would a Twig brother or sister. That's just believing--refusing to accept the negative that men must be separate. Foster Smith, Fifth Corps

"Our strength is in God, not in our ability to believe God." Rev. Craig Martindale

"You never really understand freedom until you see, or know, or begin to understand the mystery of the one body." Donnie Fugit, Fifth Corps

"Jesus Christ didn't go out witnessing--his whole life was a witness."

Rev. Del Duncan
