

*And God blessed them, and God said unto them, Be fruitful, and multiply, and replenish the earth, and subdue it: and have dominion over the fish of the sea, and over the fowl of the air, and over every living thing that moveth upon the earth.*

# HEARTBEAT BULLETIN

EMPORIA VOL. 3, NO. 8 NOVEMBER 15, 1976

"To walk in the love of God in the renewed mind in manifestation sets in order every principle of life and the Word."

Rev. Del Duncan

"Love has everything to do with decision; counseling has everything to do with change. The greatest turning point in any counseling case is getting the person to admit he is responsible."

Rev. Stanley Reahard

"Dr. Wierwille has taught us to love people and use things--not the other way around. But that doesn't imply not to use things in love. Love makes things function better and longer and in quality to a higher degree."

Rev. Craig Martindale

"The word 'Corps' comes from the French word 'corps', meaning 'body'."

Tom Knupp, Fifth Corps

"'Corps' is not to be confused with 'corp.', the abbreviation for 'corporation' or 'cpl.', the abbreviation for 'corporal'."

# SET FREE

"I dreamed of love, as time I spent  
Along the ocean shore  
A chance to give, a way to live  
With peace forever more.  
Sailboats, many times I watched  
And seagulls gliding low  
The wind sweeping by me  
In its ever constant flow.  
From sunrise to sunset  
My heart without a home  
At last, one day, a new dawn...  
No longer did I roam.  
A chance to give, a way to live...  
My Father said to me,  
'It's a gift, my child; Yes, Christ within  
And now you are set free!'"

Sandra Bodager, Seventh Corps

"My freedom I use to become professional in my field.  
My confidence in God gives me the right of way."

Ray O'Quinn, Sixth Corps

"Technologically, our culture is booming; but we  
haven't gone beyond the Stone Age in human relations."

Rev. Del Duncan

*"God always likes it when we speak  
the truth, even when we don't  
think we've done a very hot job."*

Rev. Stanley Reahard

"To get out of a rut, get off your butt."

Frank Piluso, Seventh Corps

"Never think in terms of failure...We hold no apologies to anyone...Living as a servant is to find unbelief and eliminate it."

Rev. Craig Martindale

# FASTING AND PRAYER

"Many folk think for fasting and prayer  
The requirement is: Keep the frigerator bare  
Spending wee hours on wobbling knees  
Asking and begging, 'Oh, Dear God, please.'

If they were only of God's Word aware  
Then they would know that BELIEVING is prayer  
No stress or strain need be involved  
Simple believing gets everything solved!

Then if you like eating, you're wondering at last  
'What in the world do I do when I fast?'  
Simply use every ounce of the strength you have stored  
To do the wonderful will of the Lord."  
Cheryl Dahl, Seventh Corps

"If it's not on the Word, it shouldn't be heard.  
If it's not on the Word, it shouldn't have occurred.  
Don't sit; GIT!"

Rev. Craig Martindale

"To get the most, don't coast."  
Frank Piluso, Seventh Corps

"If you let the amount of Word you know trip you into  
being apathetic, you'll lose the greatness of Christ  
within."  
David Jordan, Fourth Corps

"A stand cannot precede the walk; it can only come sub-  
sequent to the receiving and retaining of the Word."  
Rev. Craig Martindale

"Here I stand; I can not do otherwise; so help me God."  
Martin Luther

"Man's theology has more errors in it than Carter has  
peanuts."

Rev. Walter Cummins

# LEADERSHIP IN THOUGHT

*Having confidence in thy obedience I wrote unto thee,  
knowing that thou wilt also do more than I say.* PHILEMON 21

## GOOD ENOUGH

"My son, beware of 'good enough'  
It isn't made of sterling stuff  
It's something any man can do  
It marks the many from the few  
It has no merit to the eye  
It's something any man can buy  
Its name is but a sham and bluff  
For it is never 'good enough'.

With 'good enough' the shirkers stop  
In every factory and shop  
With 'good enough' the failures rest  
And lose to men who give their best  
With 'good enough' the car breaks down  
And men fall short of high renown  
My son, remember and be wise  
In 'good enough' disaster lies.

With 'good enough' have ships been wrecked  
The forward march of armies checked  
Great buildings burned and fortunes lost  
Nor can the world compute the cost  
In life and money it has paid  
Because at 'good enough' men stayed  
Who stops at 'good enough' shall find  
Success has left him far behind.

There is no 'good enough' that's short  
Of what you can do and you ought  
The flaw which may escape the eye  
And temporarily get by  
Shall weaken underneath the strain  
And wreck that ship or car or train  
And this is true of men and stuff  
Only the best is 'good enough'."
