# HEARTBEAT BULLETIN

A great building requires a firm foundation. So, also, does a great life. Remember, the firmest foundation is the Foundational Class, and what we learned—  
So Speak In Tongues!

"The love of money is the root of all evil. It's possible for God to turn this captivity. This is a weekend of vision...Our business is first the Father's business. We are businessmen of God and doing our business according to the Word...Let the Word of God be the will of God. Never get so busy that God doesn't come first...God is in business to prosper His men...The reason we wandered aimlessly is because there has been no knowledge of God's Word. When there has been, there was no application of it...No nation produces without the true God...The only people who have a green thumb are those who have the growth of the Word of God."

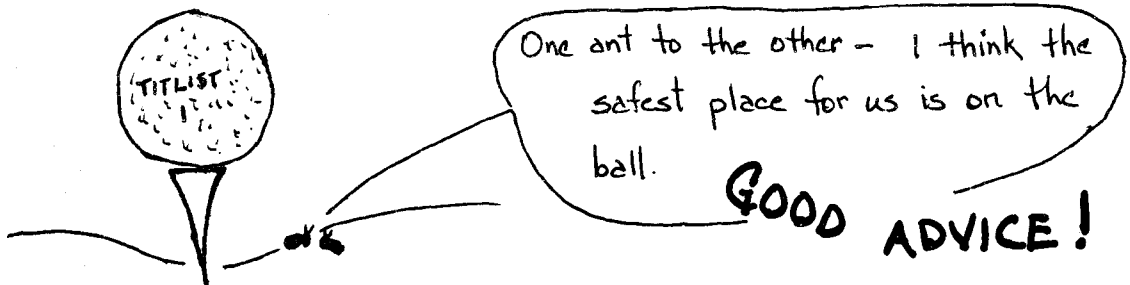

Dr. Victor Paul Wierwille

Luke 14:28-30 "'For which of you, intending to build a tower, sitteth not down first, and counteth the cost, whether he have sufficient to finish it? Lest haply, after he hath laid the foundation, and is not able to finish it, all that behold it begin to mock him, Saying, This man began to build, and was not able to finish'. Follow this scripture unless you have direct orders from God; here's your guide."

H.E. Wierwille

"Why not have early-morning believers' groups every morning? Prayer=believing=action...Study the Word much; push negatives out with it."

Fred McCulloch

"Anybody able but not willing to work shouldn't be eating. 'An honest day's work for an honest day's pay'...Equality is when we all have our needs met; and we all have different needs...Whatever abundance you have, you have the joy to share. If you do, you'll get more back."

Rev. Bo Reahard

*I have so much work to do tomorrow that if I don't get up at 4 o'clock and pray for 3 hours I'll never get it all done.*  
*Martin Luther*

"The Way Tree has freedom and flexibility, but enough direction and order to move with unity of purpose and oneness of mind. It encourages individual development. Older members encourage and love the younger; they bring them up for responsibility... Grace is the family; renewed mind is the household... Help those who are weaker. Don't ask them to do anything you wouldn't do yourself...Expect your people to do what you ask them to do...Be an example to your people. Work with and treat them like Christians in your business."

Rev. John Townsend

"Hire believers; they speak in tongues. It is our responsibility to teach them how to work and promote good work habits."

Ted Sansbury

"There are three things you can't do too much of:

- 1) Pre-thinking
- 2) Speaking in Tongues
- 3) Drinking water"

Rev. Craig Martindale

"Left-field is a very versatile place. It's also a dump---  
'hog country'; 'oink' land!"

Rev. Craig Martindale

"You can't know the God of Truth until you know the Truth  
of God's Word."

Gail Winegarner

"You can't separate obedience from believing."

Gail Winegarner

"Prosperity is not what you see of the things  
you have; it lies in the understanding of the  
Word in the depths of one's mind."

Alex Fernandez

Always have questions in your mind when you study. Listen,  
read, think, write, converse with a purpose. Go over the  
five Corps objectives and your personal goals before you  
start and look to get answers and needs met in these areas as  
you work.
