

Breakthrough!

... and run with God's  
Word,  
reaching  
your  
goals.

Would you like to run farther and faster than you have ever run before, breaking through your breaking point of endurance?

Would you like to understand the Word of God better than you understand it now, breaking through your breaking point of comprehension?

Would you like to stay awake when you need to be alert, breaking through your breaking point of fatigue?

Would you like to be detail minded, breaking through your breaking point of observation?

Would you like to stay your mind on whatever you are doing at the present time, breaking through your breaking point of concentration?

Would you like to consider this statement made by Dr. Wierwille--"Retemory builds breaking points."?

Heartbeat Bulletin

Emporia, Kansas  
May 7, 1976 Vol. 2-21

Just as a cool summer breeze refreshes the grasses and the wild flowers of a wide open meadow, so your life refreshes mine.

When I look at you and see the righteousness of God radiating from your face and the love of God sparkling through your eyes, every cell in my body begins to tingle with fresh, new life.

As the seeds of the Word of God begin to germinate and blossom in your life, I am most privileged to see the soft colors and to smell the sweet fragrance.

As I look upon the fruit of your life and bask in the warmth of your love, I know in the depths of my heart that you are a son of God.

Judy Womack

Good, better, best-  
Never let it rest  
Until the good is better  
And the better, best.

According to Bill Maize in his Motivational Techniques class, the following definitions are correct:

FACT: Whatever a person believes without having proof.

BENEFIT: Something that it is going to do for the individual.

CLAIM: Unbelieved fact that can be proven with evidence.

BRIDGE: Word phrases to connect facts with benefits.

"Since we know the rightly divided Word, why not enjoy the greatness of the presence of God in people?...God softens people up. You must have a lot of patience and love. You can never get too much love... I do not believe you can ever get too much of the Word of God... Right now is always the greatest moment of your life; it can either be positive or negative...We're in the business of planting and watering. Quit stewing about the increase...Revelation is always specific if we just wait on it."

Dr. Victor Paul Wierwille

"But ye shall receive power after that the Holy Ghost is come upon you and ye shall be witnesses unto me both in Jerusalem, and in all Judaea and in Samaria, and unto the uttermost part of the earth."

ACTS 1:8

"The seven church epistles are the "more" in the more abundant life...God has called us to 'super-service,' not 'mini-service' or 'self-service'...Without the truth of the Word spoken, there is no truth communicated. ..We are to walk in Jesus Christ's steps; and they're abounding steps...Understanding of grace comes with doing the works...If I know something is available, I am responsible to walk it."

Rev. Craig Martindale

"The person who can't lead and won't follow, makes a dandy roadblock."

Rev. Craig Martindale

"If you are not out every day looking for more and more things to do, then you are lazy."

Rev. Bo Reahard

"Without joy, there is no reward."

Rev. Craig Martindale

"The reward for work well done is more work. Give yourself something to do."

Rev. Bo Reahard

"God watches over things. That does not mean that you do not look at all."

Marcia Francis

The Way College is an exercise in flexibility. I am learning to contribute to the body of Christ through a full range of motion without resistance. The more convinced I become that God's Word is God's will, the less resistance there is within me. With an out-and-out commitment comes that full range of motion, that blossom life so full and free.

Lyle Barlow, Student

The proof of your believing is your receiving.

Rev. Bo Reahard

Love is based on discipline and commitment.

God chose the written Word to communicate His will to us; and the written communications in the Heartbeat Bulletins are just as vital. Every quote is a gem to be cherished.

The heartbeat of the physical heart keeps the nutritious, life-giving blood continuously flowing throughout the body. The first "beat" in each of us was started by the Creator who is the only one who could do such a miracle. Then the wonderful human body keeps the "beat" going. Once it has started, it is self-generated.

Our Heartbeat Bulletin provides the same service to the body of the Corps. God is the originator; but we, as a body, keep the life-giving Word and love flowing."

Sue Miller

"Study to shew thyself approved unto God, a workman that needeth not to be ashamed, rightly dividing the Word of truth."
