"A quitter never wins and a winner never quits.

Be tough on yourself and the world will be easy on you.
Be easy on yourself and the world will be tough on you.

You must just learn about love from the author of love before you can love. God so loved the world that He gave; He didn't quit. The only thing that allows us not to quit is to know God's love."

Rev. Koomruian

"Dreams become reality when we believe."

Dr. Wierwille

"If we carry out what is set up to do with love and thanksgiving, we are licking the adversary.

The way we guard what we have is by using it.

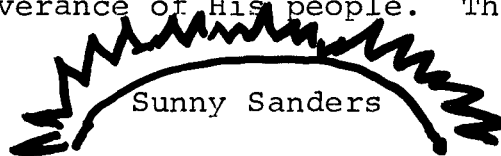

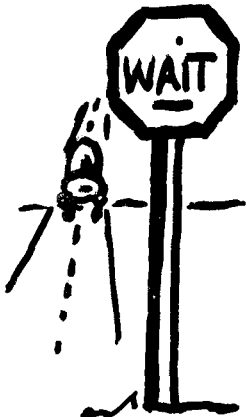

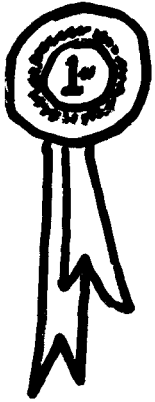

The way we are part of the solution is to stay thankful and keep speaking the Word that we know."

Rev. Craig Martindale

"God's love started the whole business of Christianity. Many times we have to wait on God. To hurry God is to find fault with Him. When we go to God with a need, we know it will be met in due time.

When you get rattled, you blow it spiritually every time. Trust lies in acknowledging the integrity of God's nature. God's joy is the deliverance of His people. That's a witness."

Sunny Sanders

"Jesus Christ never promised a life void of problems; he promised life more than abundant. The more abundant life is overcoming circumstances.

Believing alters circumstances."

Rev. Craig Martindale

WISHIN' WON'T WIN...

Visions become reality through hard work. The vision of The Way is the Word Over the World. For this to become a reality, we must do our work heartily as unto the Lord. Accept work as a challenge to reach the vision and not as a burden. Keep your eyes on the goal and not on the task involved.

Work! The willing horse always gets the heaviest load, but he also develops the strongest body and he receives the most oats.

Out of the strain of the doing into the peace of the done.

Remember! Sitting still and wishing makes no person great. The good Lord sends the fishing, but you must dig the bait!

Kingsley once said regarding work, "Thank God every morning when you get up that you have something to do that day which must be done whether you like it or not. Being forced to work and forced to do your best will breed in you temperance and self-control, diligence, and strength of will, and a hundred virtues which the idle never know." The Word confirms that God does not force; we, through our faithfulness to His Word, force ourselves.
