"Quotes from CRAIG"

"Circumstance holds no hope."

"Well, I just say relax and trust God."

"We have the right to demand dominion over any circumstance, no matter how dark or horrendous."

"People make circumstances."

"We need to learn as leaders that we make changes in circumstances."

"If you don't see the devil coming at you, maybe you are walking with him."

"The Devil's motto--let sleeping saints lie."

"I think you ought to get into the fight someplace."

"The test involves your belief of principles in pressure situations."

"In the Corps, we endeavor to eliminate every extraneous influence so that you may have the opportunity to think."

"Look--recognize--act; change the circumstance if need be."

"I hold forth God's Word; He takes care of me."

"I am a "Lot More Man"--I have a lot more love,
a lot more tenderness,
a lot more peace and
a lot more fun than I
did two years ago."

"My job is to ask and think; God's job is to do the rest."

"We walk in the experiential knowledge of the mystery of God."

The effectual fervent prayer of a righteous man
availeth much. JAMES 5:16b

EXPRESSIONS of

"People talk about God being nasty and revengeful, but the only thing I could see in Judges was grace."

Dr. John Somerville

"I know I am growing because I am experiencing life that I never experienced before."

John DiMartino

"Give out of your pluralities. If you have two pounds of meat and one pint of water, God gives you water if you give away part of your meat. God supplies your needs."

Ken Strother

"I'm very sensitive to what you do to me, so you better do the Christ-in-you to me. Lean heavily on the Christ in each other."

Terry Huelsmeyer

"P.F.A.L.: The lecture that accompanies the laboratory of life."

Rev. Lonnell Johnson

The following is the correction of a quote in the Heartbeat Bulletin dated February 6, 1976 (Vol. 2, No. 9):

"Unless you can accept being alone, not as a detriment but as a joy, you'll never be happy. Learn how to accept it and enjoy it."

Sunny Sanders
