

Stay in fellowship.
All we do as leaders
is to help our
people stay
in fellowship.

MY TWIG

"Always loving
Always giving
Looking for the
best in me.

Always willing
Always staying
Seeing only the
heart in me.

Always comforting
Always inspiring
Making known their
care for me."

"The hope is literally the only reason for living.
Our hope is our motivator.

**GOT A REASON
FOR LIVING
AGAIN!**

* * * * *

Without the reality of the truth of His
return, we couldn't stand the pressure.

The Lord Jesus Christ is coming back. That's what gives us the fabric
to stand.

There is nothing you will do, when doing it heartily, where all three
aspects of I Corinthians 13:13, believing, hope, and charity will not
be involved."

Rev. Craig Martindale

"In the world, most people are trying to see how little they can
do for God each moment and still get by. In the Corps, we are
striving to do our best for God every moment of each day."

Walter Crinnion

"We pay a price for loving; but the price we pay for not loving
is far greater. The price for not forgiving, not loving, is
more than I can afford to pay."

Rev. Stanley Reahard

Ecclesiastes 5:1

"People who love anything else rather than truth will always get
hurt.

Deuteronomy 30:1

Freedom is always a state of the mind -- not so much what you
have to do, etc. Paul was free in prison. God's hand is
powerful and mighty."

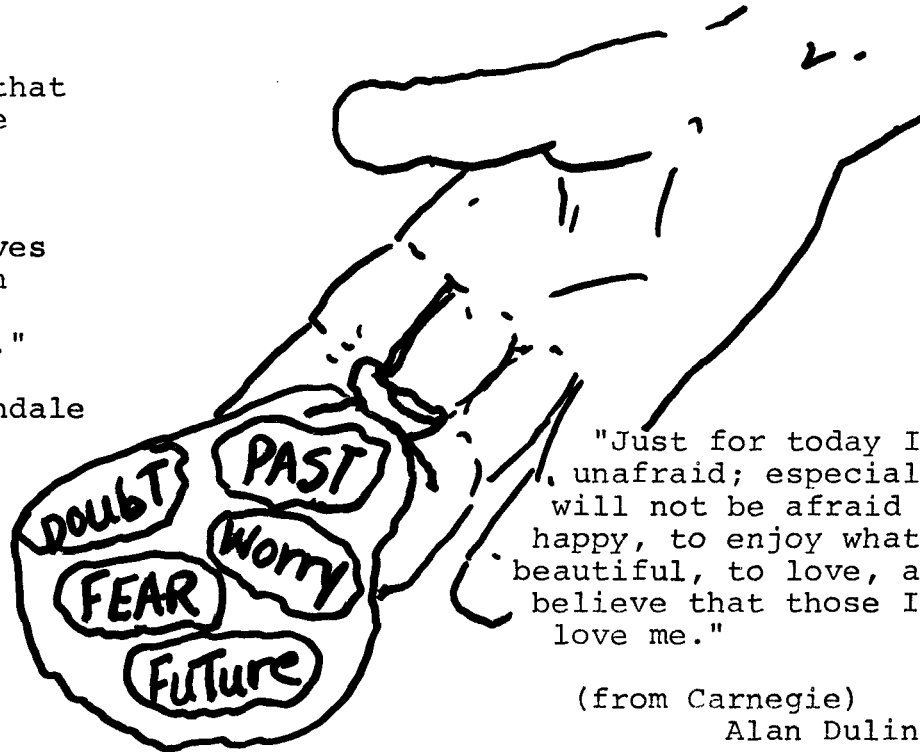

Sunny Sanders

"The only thing that
ever hurts people
is unbelief.

Do you know who
knew more negatives
about people than
anybody?

Jesus Christ."

Rev. Craig Martindale

"Just for today I will be
unafraid; especially I
will not be afraid to be
happy, to enjoy what is
beautiful, to love, and to
believe that those I love,
love me."

(from Carnegie)

Alan Duling

"One thing that every successful person has in
common is a clear, set goal or vision in his
life. God doesn't fulfill your old lustful
desires. He fulfills the new and beautiful
ones He sets in your heart. God does not want
us to be undecided or uncertain about anything;
that includes the future."

"The greatest learning is in witnessing -- holding forth the Word.

Your attitude toward any given situation will determine, to a great degree, your success. You can increase understanding and help people to grow up if you have the right attitude.

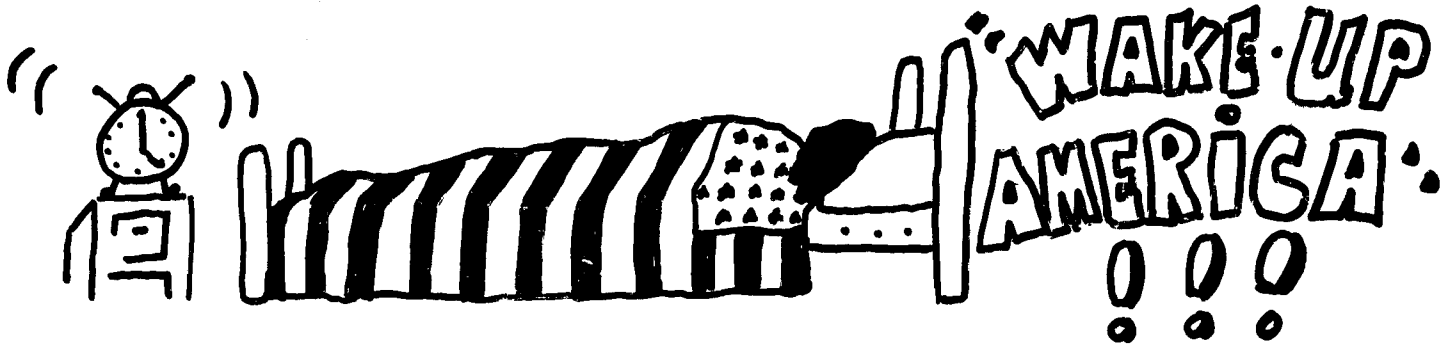

We just believe that what we hear is sinking in, whether we understand it now or not. We're responsible for it and we'll need it.

We don't have time to get
sold out on anything but the Word."

Dr. V.P. Wierwille

"Don't give up if the pace seems
slow -- you might just win with
another blow."

from a poem read by
Dr. V.P. Wierwille

"Develop a burning desire to hold it forth...Don't go out of this place until you get a burning desire to speak truth. Don't let anybody burn you. You are the man or woman with the Word."

Rev. Craig Martindale
