# I DON'T CARE

"Fear of failure is a self-contrived defense mechanism to shelter an insecure ego from moving ahead in a risky and potentially embarrassing situation. Fear is not normal; it is absolutely abnormal; it keeps you from moving ahead and doing things differently."

Dr. John Somerville

"God takes care of the fruit. You don't have to say, "Look God, I need more peace." He takes care of the fruit; He takes care of the results. He gives you whatever you need to carry out the labor of love."

Mrs. Charles Koomruian

"Don't run, and God will come through. You don't have to be cautious. Challenge God! Don't take the sense-knowledge way. David didn't with Goliath; Daniel didn't with the lions; Shadrach, Meshach, and Abednego didn't with the fiery furnace. Use renewed-mind recklessness and God comes through. Why take the easy road?"

Rev. Craig Martindale

"You'll never be satisfied with your walk if you compromise because of fear of failure."

Nik Maxson

"The adversary, in trying to cut God's Word, is going to tell you, from now until the Lord returns, that the person who is leading you is wrong. That is never from God, but always from the Devil."

Rev. Bo Reahard

"He pulled us out of the miry clay, and set us on a rock to stay. Hey, hey!"

Rev. Craig Martindale

"Casting all your care upon Him; for He careth for you."

The Apostle Peter

I Peter 5:7

How can I love you  
If I don't love me?  
How can I love  
If my love you can't see?  
If you can't love God's people  
As this path you trod,  
How, oh, how, brother,  
Can you love God?
