You merely act and express the virtues and qualities of love, and all that is needed to sustain you in happiness and harmony are inevitable consequences of your action. You are attached to nothing except the action of love. You desire no results; but possess perfect assurance that the correct results necessary to your life at a given time will be supplied: the sense of impending insecurity is unknown to him who lives the doctrine of love." How well do you know the PFAL Book Material?????????????

Once you have the promise of God, the "how" of receiving is to \_\_\_\_\_ what the promise says. pg.28

Not only do we need to have a knowledge of the integrity and accuracy of God's Word, but we also must get the \_\_\_\_\_, the \_\_\_\_\_, the \_\_\_\_\_ that other men and women might know that the Word of God is the will of God. pg.9

True or False - We must understand that the rules of life change in the various time periods so that we must see each administration within it's distinct context? pg.23

"I don't have to wait until you deserve my love to give it to you. Love is not conditional on how someone behaves and whether they please you or don't please you. The Word of God doesn't teach that love is feelings but that love is under control of our will whereas feelings are not always under control of our will." Rev. Stanley Reahard
