

Heartbeat vol 1, no 7

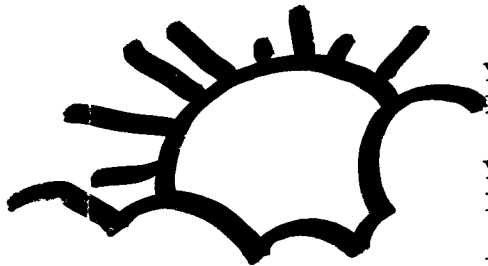

You have so much potential; it's unbelievable, unexploitable, unfathomable.
Rev. Cummins

Open your heart and see how free you really can be.
Pressed Down

You have no needs when you have your head together.
Sheryl Haggard

By getting involved with the things of God, you don't have time to stop and look for the faults in others.
Ronnie Sink

We are romanticists.
We are among the few who love life and dream.
We build our castles in the clouds and then climb to the clouds to inhabit them.
We love with a passion, we feel with a strength.
We have hearts whose breadth is known only to Him and, in part, to one another.
We are in this earth as pioneers, as apostles, as healers and those who restore.
We are a new breed, a new nation and a new people.
Allen Pattie

You shed a tear
I feel that tear
and pass it on
You shine a smile
I hold that smile
and pass it on
It's spiritual wildfire
Celia Carter

The freedom in being faithful to a commitment is in overcoming the obstacles that keep you from being faithful to that commitment.
Paul Griffitts

Every time you see a believer walking in fellowship and you recognize it, it makes you a stronger person.

Rev. Craig Martindale

The road will get rougher, but our bulldozers are getting bigger every day. Rev. Walter Cummins

A diamond is just a piece of coal under pressure.

Roll over and split your sides once in a while and give the old devil a raspberry.

We are either right or we fell out of the highest tree that ever dropped an acorn.

Make the miraculous habit.

Rev. Martindale

Philemon 21

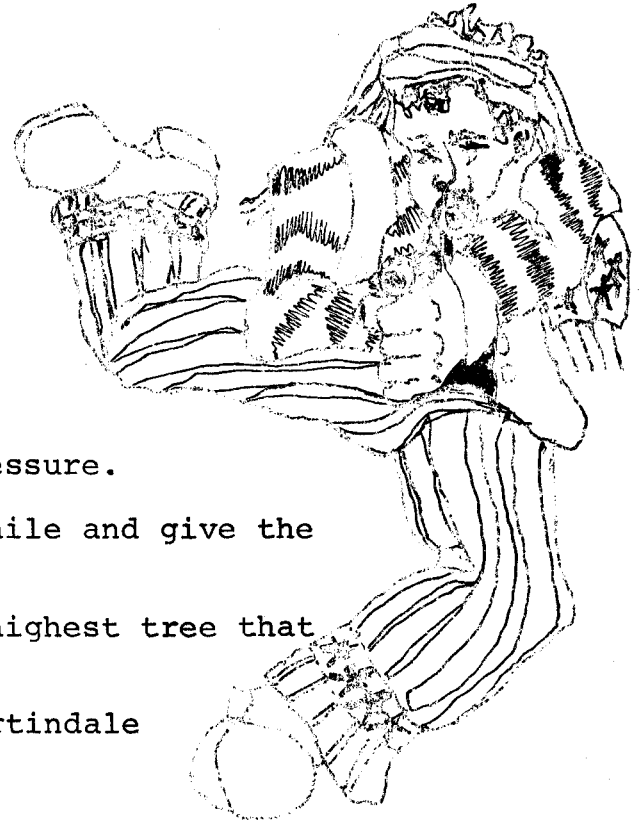

The Corps always goes that extra mile.

Run the race with the Word your pace.

There I was!

An incident paints a picture which is worth a thousand words.

Dale Sides

Make the desire
of God's heart
the desire of
your heart.

Gary King

EMPORIA

Emporia is one of the Greek words translated "merchandise." It is found in Matthew 22:5 and is used only once in the Bible.

Matthew 22:5 "But they made light of it, and went their ways, one to his farm, another to his merchandise (emporia)."

Mike Coad, Student

Active believing in God produces a totally positive atmosphere.

Patty LaGaipa

Instead of grabbing all the love that you can, give it with every fiber that you have.

Kristy McCullough

The Corps is all the time teaching people how to screw their minds down while the world is all the time teaching people to screw their minds up!

Mark Johnson

The Corps is designed for people who have commitment, dedication, desire in their heart to learn God's Word to the best of their ability to hold it forth. As long as you stay faithful, God will see us through.

The Word changes circumstances because the Word changes people; and people change the world.

Dr. Wierwille

History has repeatedly been changed by men who had the desire and the ability to transfer their convictions and emotions to their listeners. A QUICK AND EASY WAY TO LEARN TO SPEAK IN PUBLIC

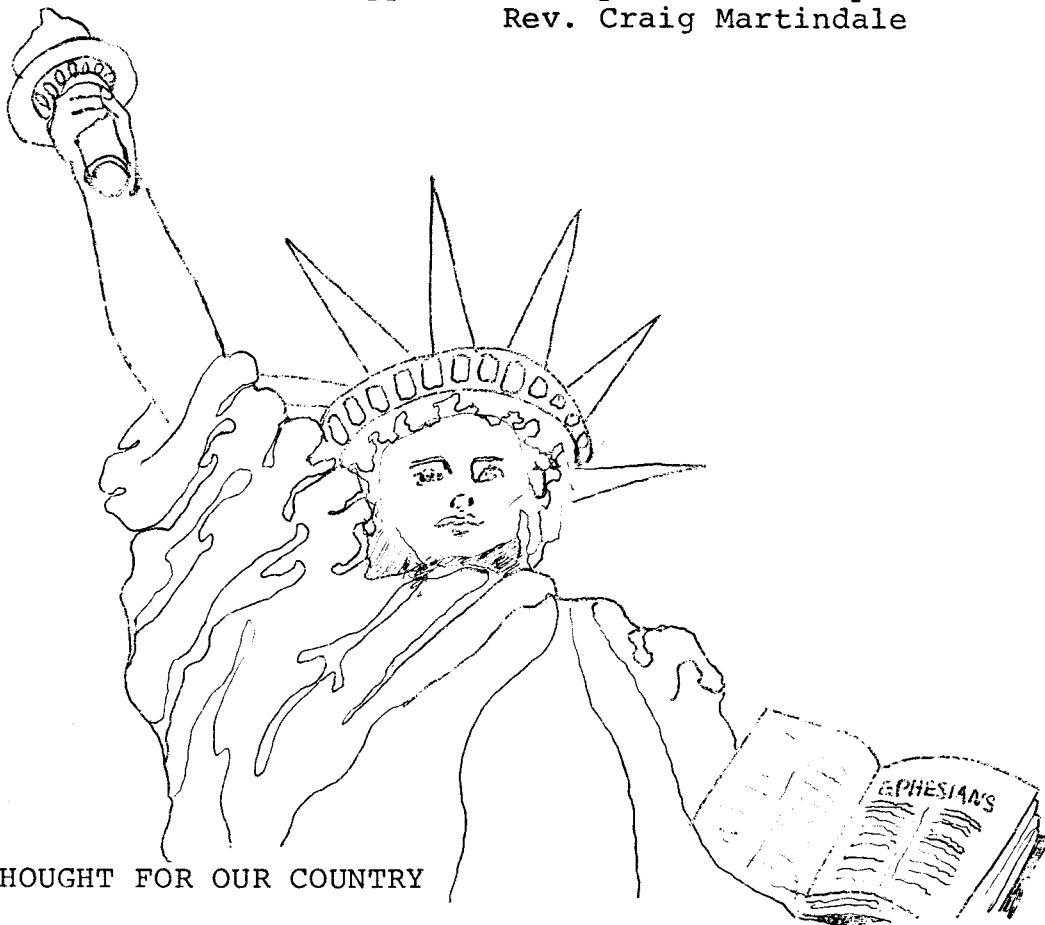

All the eloquence in the world will not make up for lack of sincerity and integrity.

HOW TO MAKE OUR LISTENERS LIKE US

The two most important weapons with which we have to fight Satan's attacks are love and meekness.

The first love of your heart craves your attention and allegiance. Do not disappoint Him; practice His presense.

Rev. Craig Martindale

A THOUGHT FOR OUR COUNTRY

Our times are such that our country desperately needs the healing love and enlightened guidance of God's Word...I believe that if we will stand together as a family in one spirit, with one hand in the hand of God, holding forth the Word of Life like it has never been held forth before, we can move this Word across America. And then our country will have something to celebrate at the time of our Bicentennial Anniversary in 1976.

Dr. Victor Paul Wierwille
