

"We often think of the difficulties with which we are engulfed, instead of simply thinking that we are a child of God. Just relax yourself and quit stewing. Everything we have, we have by Grace. Every day He teaches us more and more. You walk for one second and then another. Finally, you walk perfectly before Him for one day, then another. It is a growth, and it isn't something that we have to wait on God for. He waits on us until we make ourselves prisoner and just walk on that Word."

The Way Corps

As children bring their broken toys
with tears for us to mend
I brought my broken dreams to God
because He is my friend.
But then, instead of leaving Him,
in peace to work alone
I hung around and tried to help,
with ways that were my own.
At last I snatched them back and cried
How could you be so slow?
My child, He said, What could I do?
you never did let go.

"Look, man, you're going to
live 'till the grass gets
greener on the other side.
You're never going to live
nothing. You're going to
spend all day daydreaming
and that great golden day
in the future is never going
to hit you in the nose, be-
cause you got to make
golden days."

you have spiritually, you

ARMOUR OF LIGHT

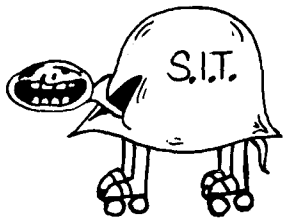

"Our country is on a merry-go-round of assorted self-interest and covetousness."

"Praying in the spirit is the greatest lever I know."

Dr. Wierwille

"It's just as sacred to do sanitation as it is to mow the grass or study the Word under the apple trees."

Dr. Wierwille

"I got such a grin out of laying that 'Jesus Christ is not God' on last night in the service; Boy, I had a good time doing that... cause, boy, it's just great to make explosions happen in people's heads."

Craig M.

"We are in a contest to defend our spiritual blessings (truth) against all spiritual foes."

"You can't put on the armour after the contest has started."

"If you fall by the wayside you will never get the crown."

"If we are entangled we cannot please Him."

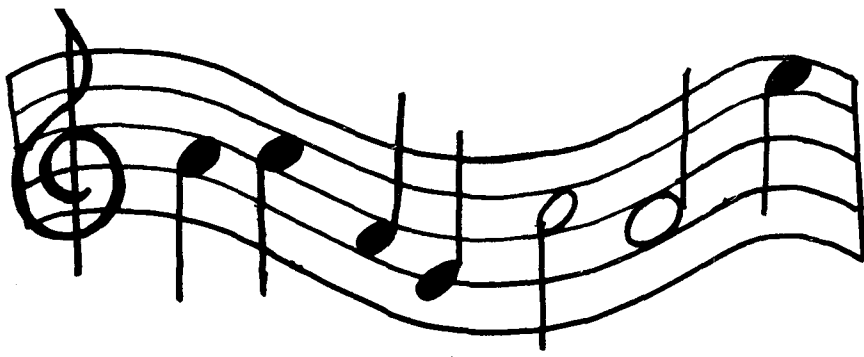

"Nothing ever happened in the future."

I bow my head to the living God
His spirit dwells in me
I lift my heart to the living God
Though His face I cannot see.
I see His works about me
Above, around, beneath
I see His loving kindness
In every Christian soul I meet.

I sit here in amazement
Looking back into my life
Filled with foolishness and deadends
Lord, it was marked with pain
and strife.
But His great love I saw
Stopped the lion's roar
And by a brother's sharing heart
The road is clear before me.

I eat the bread of thankfulness
I drink the cup of peace
The comfort of His love to me
I know will never cease.
The author of the book of life
Has filled my soul with love
The maker of the universe
Sends blessings from above.

Now you could say, "Hey boy,
you're crazy!!"
To take that kind of stand
But I just say, "Hey, friend it's
easy."
The living God has called us
To a new and better land.
