Luke 12:15

"If I was here, I'd be glad I stayed
And proud of my work and ours as the
family.

Since I went to Emporia, I was glad
that I went
And proud of my work and ours as a
family.

Whatever I did, I'd be glad I did it
And proud of our family."

the Word of God and walk-
ing it."

"When we live by the rules of the Word, we will profit."

Expert: The class makes life meaningful which means that you can have a sure direction in your life. Let's take my brother for instance. He was a varsity diver at the University of Virginia, on the Dean's list academically, a member of PHI MU Fraternity and the president of his pledge class. Yet, even with all of these things going for him, he stated that the class had given his life a sure direction, purpose and meaning. You would like to have a sure direction for your life, wouldn't you?
