The Way Corps

"Billions of fires can be set by the light of one candle, and its light is multiplied. A billion people can be enlightened through one teacher, and his teaching will increase. The eyes of our understanding have been enlightened. Five Corps objectives living in us, shall spearhead the mystery across this nation by 1976."

--Doug Emerson--

"For ye were sometimes darkness, but now are ye light in the Lord: walk as children of light: Proving what is acceptable unto the Lord." Ephesians 5:8, 10

"The Way Corps means that there is an unlimited amount of learning available to me, including how to push myself to receive the most I possibly can." John Lynn

"You've got to shake yourself up to God's Word."

--Dr. Wierwille--

WAY CORPS OBJECTIVES

1. Acquire an in-depth spiritual perception and awareness.
2. Receive training in the whole Word so as to be able to teach others.
3. Physical training making your physical body, the "vehicle" of communication of the Word, as vital as possible.
4. Practice believing to bring material abundance to you and the ministry.
5. Go forth as leaders and workers in areas of concern, interest, and need.

I Love You Father

Your peace that's instilled within me
is of your divine grace,
Your love that overshadows me,
set my heart at its pace.

With all that is within me,
the love which you placed there,
burns within my heart,
with others the desire to share.

My heart is open, my love is pure,
freely I shall give.
The tenderness you've wrought inside,
allows me the life I live.

You've always been there and knew quite well,
what this night would bring,
Oh! The joy wells up inside,
as I think upon these things.

How spending time with you,
being quiet and alone,
makes me grateful to be alive,
knowing soon I will be home

-- Carole Pisani --

knock! knock!

As hearers of truth, we represent God,
So move your little bod across the sod.
Our adversary is a no-good louse,
So speak God's Word from house to house.
Around the clock, around the block,
We stand for Christ at the door, and knock.

What does the Way Corps mean to You right now?

"What does the Corps mean to me right now? That's kind of a loaded question. It means to me individually something I could not do without at this point. To be allowed of God such a tremendous opportunity, responsibility and privilege is beyond me. As a group of people, the Corps is a very dynamic influential group of people, God's people. I love the Corps."

--Jo Stafford--

"The highest mark of love is discipline. In the Corps, we are learning to love by practicing the renewed mind in our daily walk."

"The Corps is a fellowship which initiates faithful believers into the depth of the mystery. The Corps is a daily challenge to me to bring out my best. This is where I have to be to get the foundation for a lifetime of service. We have a life worth living."

--Chris Cushingam--

"In the Corps there is much to be done. Keep at one thing until it is done. Even if you have five necessary interruptions keep going right back to it and get it done. There is great freedom in that kind of discipline."

--Connie Emerson--

"WAY CORPS: 'A heaven of a lot of work.'"

--Craig Martindale--

"These past five months have meant to me a mystery journey whose schedule is not known sometimes even from day to day, with the unexpected happening bringing me much joy. Now as the mystery has been revealed, I realize more and more the responsibility I have as a steward of the mystery. I know as I continue through this year I shall become more adept and detail-minded to the end that I can go forward with all confidence."

--Shirley Lynch--

The
Virtuous
Woman

In a world of confusion woman has cried for liberty
Long ago God sent Christ His son
In him she's already free.
Free to live in God's rest
Free to bring out the best.

With a will to live and live victoriously
She strengthens her arms with her brothers
And steps into life fearlessly.
Her love lets others be strong
She holds the Word of God as her song.

God's plan is total union for a woman and man
One in mind and body
Giving all that they can.
He will make her his queen
When she makes him her king.

Virtuous woman
God in Christ within
Living, loving
Knowing her calling in Him.

"Paul's minimum giving was 100%." Doug Emerson

"But speaking the truth in love may grow up into him in
all things, which is the head, Christ."
Ephesians 4:15
