JOSHUA SONG:

Sons of God, ye Sons of God
Go forth and save this land
"I said I will not fail thee
against thy life no one can stand.
Every place your foot shall tread upon
My constant strength will lead you on
and the promise from your Father shall
be done."

ADVANCED CLASS 1975
Emporia Kansas

Dr. Wierwille speaking to Craig Martindale:

"I see the Advanced Class as a tournament!"

Introduction of Dr. Wierwille by Craig Martindale:

"Ladies and gentlemen, this is the Babe Ruth;
this is the Joe Louis; this is the Michaelangelo
of God's wonderful, matchless Word."

God always had his remnant.

We can believe for more than Jesus Christ,
but we can't believe any greater.

Doug Emerson

One day
at a time....

What did you believe God
for today?

It is the individual
who is not interested
in his fellow men who
has the greatest diffi-
culties in life and pro-
vide the greatest injury
to others. It is from
among such individuals
that all human failure
springs.
from "How to Win Friends
& Influence People"

A little becomes much when the
little is given in love for the
glory of God.

I think praise and applause is
applicable to Anthony Patch and
Mark Caffarel, our two dining
room hosts. Their meekness to
learn and ability to bend is
enhancing their stature in the
learning of how to serve the
bread of life. You men are the
best. Wait on '!

Diane Fleming

While sitting in the
Advanced Class, I realized
that my high school ambition
of becoming a missionary
doctor had more than come
true. I'm an ambassador
for Christ who can
minister healing through
the Word.

"Trees are alot like people.
It takes years to build them up
but only seconds to destroy."
Dr. Wierwille

The old is done,
the new is DO.

Dr. Wierwille

Each new day is like a present to us
from God. We can be excited about it,
take good care of it and use it or
never take it out of the package.
Sue Washington

The privilege of working together with my
brothers and sisters; each one of us
giving to bless the body worldwide.
