Rev. C. Martindale

"I am convinced that I'm working for the true GOD. When you have everything you need, what else do you want?"

Uncle Harry

"GOD is painting a masterpiece of my life. The more I look to GOD, the clearer the picture becomes."

Rev. Bo Reahard

"We've got to put so much into the Word that we cannot afford not to capitalize on it, because anything else would be selling yourself short."

Rev. E. Burton

"Our minds have to be filled to capacity with the Word. Then as we believe it will overflow in our walks."

Nancy Burton

Thirty-third Anniversary

And GOD said "Let there be light," and there was light. Everything, every creature on the face of the earth was spoken into being by GOD Almighty, the creator of the heavens and earth.

When GOD spoke, what He spoke came to pass. And today, His Word is as real and alive, and as we believe it, things also come to pass in our lives.

In Genesis 6:5,6, after the fall of man, GOD saw the wickedness of man's thoughts and was grieved He had made man, to the point He wanted to destroy mankind.

It took the believing, the standing of one man to carry on the bloodline to our Lord and Savior Jesus Christ. If he would not have stood, man never could have been redeemed.

In Romans it says by one man sin entered into the world, and death by sin. We were dead in trespasses and sins.

Then one man, Jesus Christ, so believed GOD that he could be and was our Redeemer.

For if through the offence of one many be dead, much more the grace of GOD, and the gift of grace, by one Jesus Christ hath abounded unto many.

What is this gift of grace? This gift is eternal life. That is what Jesus Christ accomplished for us... LIFE. And not just life, but a more than abundant life.

And that brings us to this day, and time, and hour. We as believers, members of the household of faith, are learning to live the greatness of this life through an accurate knowledge of GOD's Word.

Thirty-three years ago, one man, Dr. V.P. Wierwille made the decision to study and research the Bible and find out if it was GOD's Word. He wanted to find out if a more than abundant life promised in John 10:10 was available.

Through his patience, diligence, and tremendous love for GOD, GOD worked mightily in his life and taught him, revealed to him the rightly divided Word.

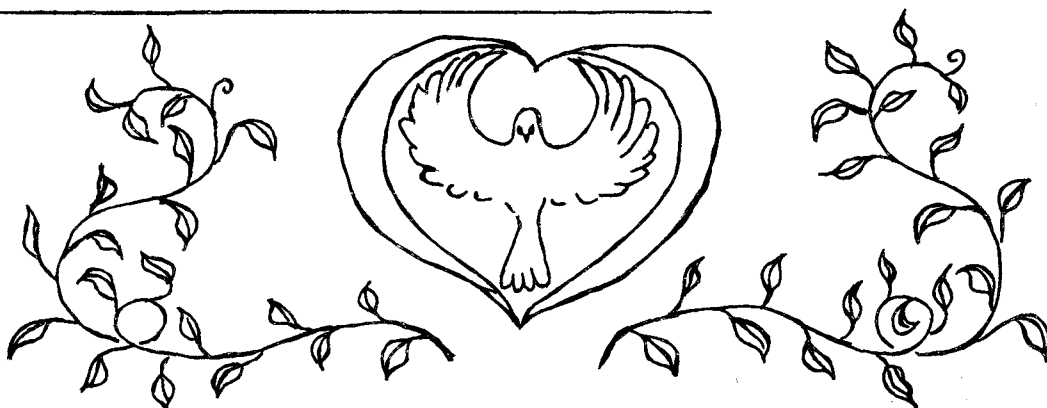

And now, thousands of people have tapped into this living, vital knowledge, the Will of GOD.

That is why I'm so thrilled and blessed to be a part of this ministry, and am especially thankful with you all on this thirty-third anniversary.

We're tapped into life, people. I thank GOD for Dr. Wierwille and for the "GUTS" that he had to stand all these years. Sometimes as one man, but not alone.

What a tremendous privilege we have as members of GOD's ministry in this day and time. We are literally moving GOD's Word of deliverance and freedom, and bringing light to this dark and perverse nation.

As GOD continues to work in our lives to will and do of His good pleasure, we can continue standing as one unit, endeavoring to keep the unity of the spirit in the bond of peace, moving GOD's Word over the U.S.A. by 1976.

"We are the only people who have anything. We have everything to give."
Beth Sportel

"Strength is our ability to be ourselves."

"The reason we condemn ourselves is because we refuse to walk in grace. We'll never see grace through the eyes of the law."
Sunny Sanders

"The greatest evidence is the testimony of an expert."
Rev. C. Martindale

"There are two kinds of rich people. There are those who have lots of money, and then there are those who have no need."
Dr. V.P. Wierwille

"The more humble you are, the more you'll get done for Jesus Christ."

"The higher you go, the humbler you become, the greater you can serve GOD."
Uncle Harry

Dear Way Corps,

Our hearts are heavy on leaving all of you beautiful saints of GOD. But how thankful we are to have had these precious weeks to get to know and love you; to have you become real flesh and blood faces and hearts to us instead of a long list of names on a sheet.

May GOD continue to bless and magnify Himself unto you these glorious days at the Way College.

We love you,
Bo & Stanley Reahard

ANNIVERSARY

Sweet life of love, comin down from above
holding our hearts in tender care.
Life is worth living because of God's giving
a ministry of truth and dare.

God's people its make-up, the world starts to wake-up
as the truth of God's Word revives the land.
It's teaching and showing, watching and growing,
and we're walking in the hollow of God's hand.

The time hasn't been long but the stand has been strong
with a vision of word over the world.
One man believed it, thousands received it
with love the momentum is hurled.

It's been thirty-three years, lots of work, many tears
since The Way was dreamed and founded.
The abundant life, no more strain, no more strife
God's grace super-abounded.

Jesus Christ the foundation, with God's revelation
brings us to victory still.
On this joyous occasion, our hearts with elation
thank God for a man named Wierwille.
