HEARTBEAT BULLETIN

"...being rooted and grounded in love." Ephesians 3:17

Vol. 1 No. 7

"...For most people Ephesians simply remains nice words; you read them, you mouth them, but never quite get to the place you believe them. The Corps is supposed to be the people who get down to the 'brass tacks' of the Word and believe it. Even if you can't explain it, even though nobody else agrees with it, you still believe it and you operate it and that's why there is no other place to go..." Dr. Wierwille

"The only hope for our day and time for this generation is that living Word that God has given us...Amen, you'd better believe it!!"
Rev. John Townsend, Way Tree Class

"I got so blessed and warmed by love and the warm reception we received by the Corps. Words really can't express what that day meant to me. I'm really thankful for the Corps and for the example they set. I've learned so much from the ones I'm sponsoring."
Fellow Labourer of Kentucky

"It's always a great privilege to be with the Corps at International as well as a tremendous motivation to carry that vehement desire you have to serve and grow back to the field."

We are all members of the body of Christ
Sons of God by right
We are chosen gems,
Polished by God in His Word
We are beautiful in God's sight.

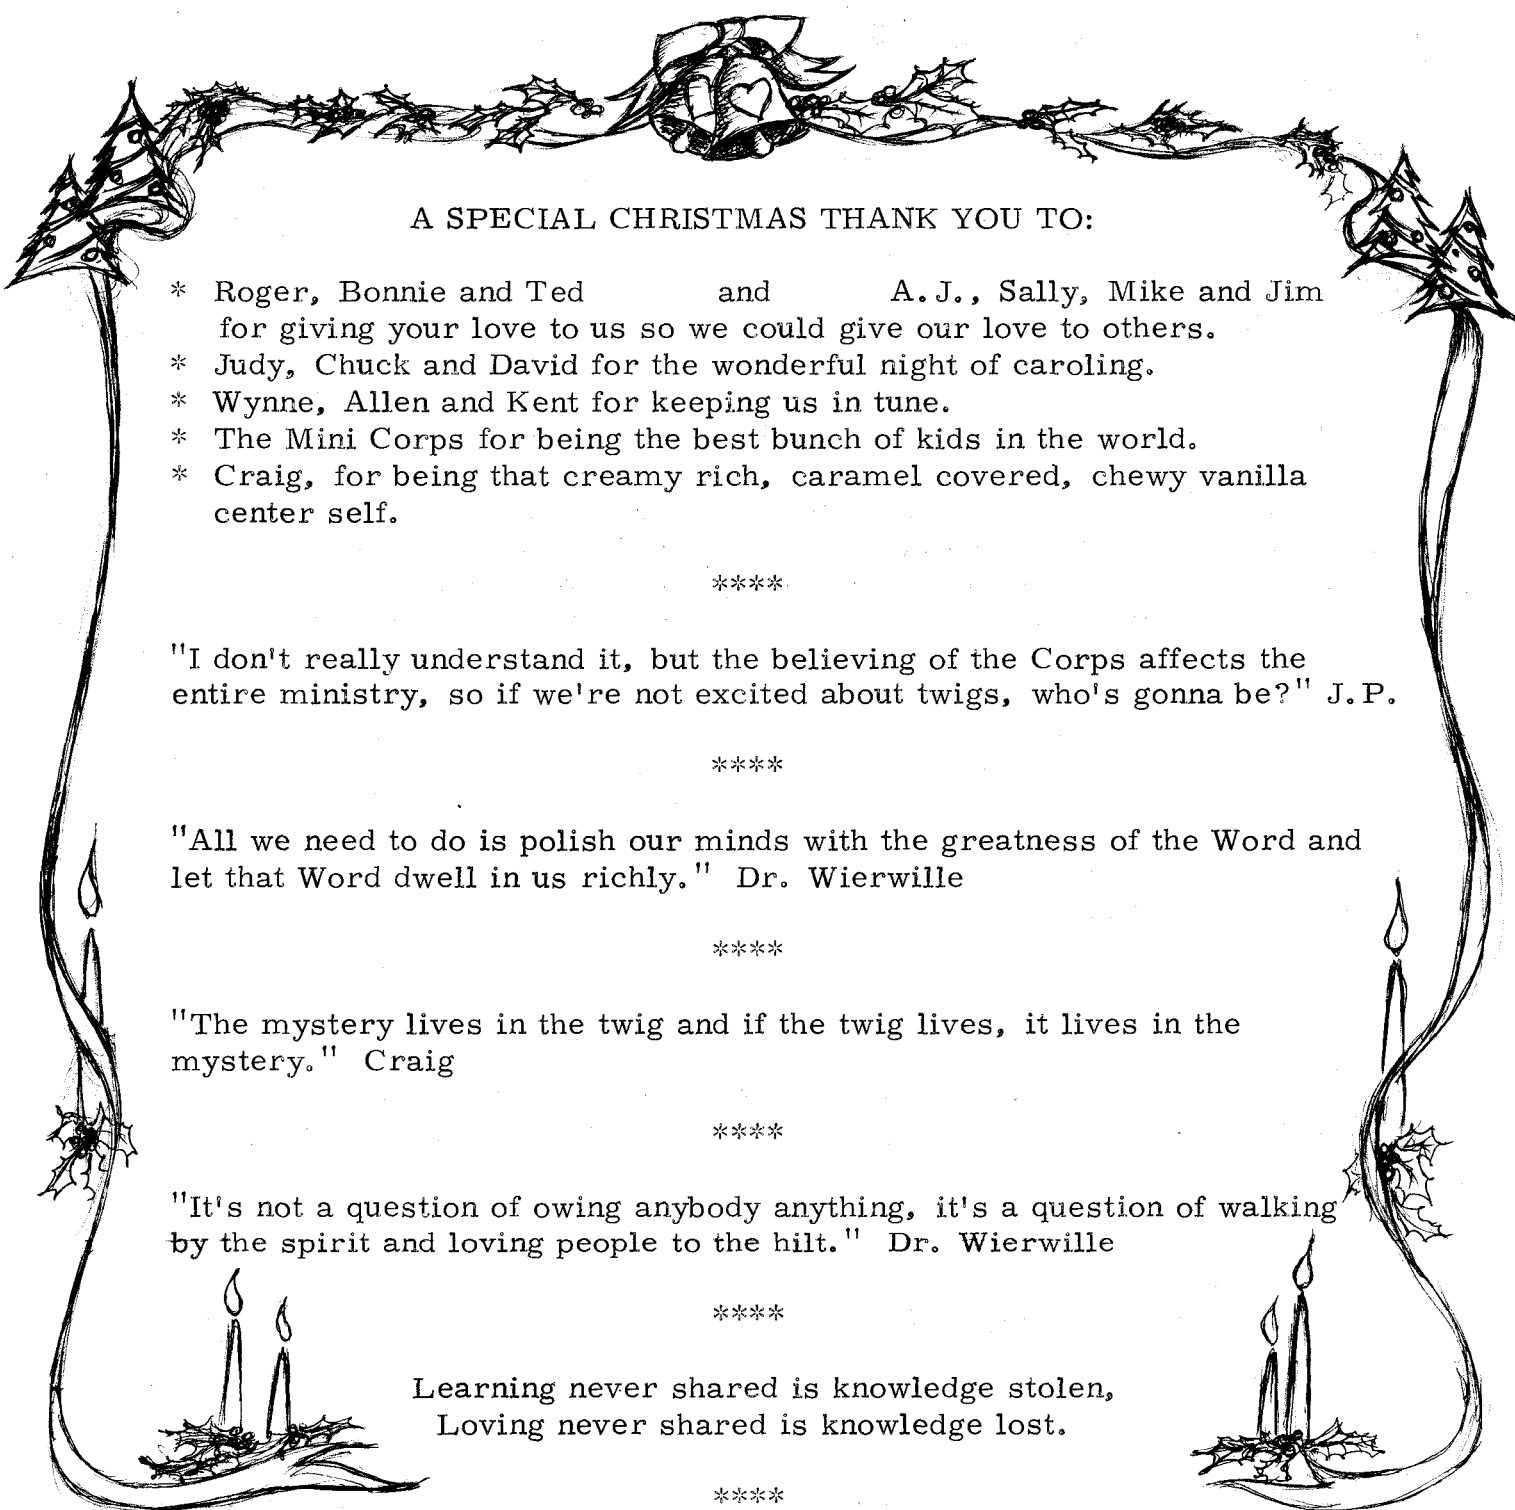

Joyful Noise

A GIST OF THE GIST

"Behold children I am with you even at this hour of the morning, speaking words of comfort to your hearts. For even of old time I did wake up with my son Jesus Christ early in the morning and did lead him forth by the hand as a tender branch and he did walk forth with great power and great warmth in his heart for the multitudes. He saw they had no shepherd. Even so should you lift up your heads and behold the fields white to harvest and follow in his footsteps."
-- God, to the Blessing Twig, about 5:30 a.m.

A smile is your light in the window of your face to let others know you're at home!

A SPECIAL CHRISTMAS THANK YOU TO:

"I don't really understand it, but the believing of the Corps affects the entire ministry, so if we're not excited about twigs, who's gonna be?" J.P.

"All we need to do is polish our minds with the greatness of the Word and let that Word dwell in us richly." Dr. Wierwille

"The mystery lives in the twig and if the twig lives, it lives in the mystery." Craig

"It's not a question of owing anybody anything, it's a question of walking by the spirit and loving people to the hilt." Dr. Wierwille

Learning never shared is knowledge stolen,
Loving never shared is knowledge lost.

"We have to gear ourselves to a pace that the world will not even consider. They just cradle under the thought of it. We learn to increase it day by day." Craig

"And how shall they preach, except they be sent? as it is written, How beautiful are the feet of them that preach the gospel of peace, and bring glad tidings of good things!" Romans 10:15
