

"... that He may grant you a spirit of wisdom and revelation--of insight into mysteries and secrets--in the [deep and intimate] knowledge of Him, by having the eyes of your heart flooded with light, so that you can know and understand the hope to which He has called you and how rich is His glorious inheritance in the saints--His set-apart ones. And [so that you can know and understand] what is the immeasurable and unlimited and surpassing greatness of His power in and for us who believe..." Ephesians 1:17b-19a

"...this is what the first century church taught (Ephesians) and believed--that's what made the church living and real."

"The greatness of traveling around the Way Ministry is that they love you to life...we teach each one how to help himself and this is doing more than 23,000 letters a day!" Uncle Harry

"I am really seeing the vital importance of the Word keeping the light in the USA (by 1976) in order to provide a light for these other countries. We may plant and water, but God gives the increase! My love to all the Corps." Rev. Walter Cummins

"Small minds discuss other people-- average minds discuss happenings-- great minds discuss the Word."

That which you have saved for yourself is lost. That which you have spent on others is saved.

"We were between the stop light in New Knoxville and the Farm (Kipp). I was at that point where I knew I was going to run the whole thing and I thought "I'm free to run as far as I want to!" That thought really blew me away because I had always thought of freedom as being able to do less and not feel copped out, but the real freedom is having the confidence in God and you as His son, able to do more. I also saw that the simplicity of doing something is in the act of doing it. The only reason why something is 'hard' or 'difficult' is because we decide that's how it's going to be." D. C.

A decision is never made until it is carried out!!!!!!!!!!!!

There are those to whom salvation comes; there are those who seek it out.

My Gift: Long Spring

Day of birth is at each dawn,
Love, the timeless gift is born
All is worth to touch and render
All is God the harvest tender
With His Word; beauty grows with each years ring
Speak your dreams...
This prayer I pray, my gift: long spring.

Gold and silver I have none,
But heart's warm reflections like the sun,
Miracles and wonders never cease,
Your life abundant will increase
Delight yourself; your Lord shall bring
This prayer I pray, my gift: long spring.

"We but half express ourselves, and are ashamed of that divine idea which each of us represents... God will not have His work made manifest by cowards. It needs divine men to exhibit anything divine. Society everywhere is in conspiracy against the manhood of every one of its members." Ralph Waldo Emerson
