Dear Family:

God bless each and every one of you in the victorious name of Jesus Christ.

Yes, God did make us a member of His great family when we were born again and filled with holy spirit, power from on high. We have all the rights and believing privileges of our sonship and we can freely manifest His love and power every moment of every day.

A family is a group of people who believe, love, hope, work and rejoice together. That is the way God planned it. When we believe together, love together and hope together, we manifest great power! Our fellowship with one another is a necessity if we are to live the fullness of the more abundant life.

There is a record in the book of Acts which shows what happens when the family believed together. Acts 4:32 through 34a states.

And the multitude of them that believed were of one heart and of one soul: neither said any of them that ought of the things which he possessed was his own; but they had all things common.

And with great power gave the apostles witness of the resurrection of the Lord Jesus: and great grace was upon them all.

Neither was there any among them that lacked...

They believed and were of one heart. Look at that! Where does believing come from? The heart. Did they receive? They sure did! The believers were of one heart and of one soul. As a result they shared freely of their abundance. This shows their attitude of loving service toward one another. Verse 33 states that great power resulted and great grace was upon them all. Verse 34 states that no one lacked! Isn't that tremendous?

We can receive these same results TODAY. The key is to walk together as God's victorious family. God does not want you to stand alone, He wants us to live the more abundant life together. No one in your Twig fellowship should be lacking. Let's walk with power! Amen!

Standing with you,

Steve Strzpek
